

# PRO CHUCKER 5 PROGRESSIVE PRESS - RCBS PRO CHUCKER 5 PROGRESSIVE PRESS

[Reloading](#) > [Reloading Presses](#) > [Progressive Presses](#)

The RCBS® Pro Chucker 5 Auto Index Progressive Press is the next level in reloading efficiency and customization. It features five-station automatic indexing for maximum production, with a load rate of approximately 600 rounds per hour. The quick-change die plate allows fast caliber change over for even greater efficiency. Standard primer pick up tubes are used with the safety shielded priming system. Spent primers are efficiently dropped from the bottom of the press to be captured in a trash receptacle. The powder measure is fitted with Quick Change metering components that allow you to drain powder without removing the measure from the press. You can also quickly swap out preset metering screws for dispensing the new powder. Patent pending.

## Attributes

- Name: [RCBS PRO CHUCKER 5 PROGRESSIVE PRESS](#)
- Manufacturer: [RCBS](#)
- Product no.: 749015676
- Mfr. No.: 88910
- Delivery weight: 13.268kg
- Shipping height: 244mm
- Shipping width: 229mm
- Shipping length: 467mm
- UPC: 076683889102

# Safety Instruction Guide for the RCBS Pro Chucker 5 Progressive Press

## Introduction

Thank you for choosing the RCBS Pro Chucker 5 Progressive Press. This guide provides essential safety instructions and guidelines to ensure the safe and effective use of this reloading press. Please read this manual carefully before using the product.

## General Safety Guidelines

- Always follow the manufacturer's instructions for safe operation.
- Ensure that the workspace is clean, dry, and welllit.
- Keep the area free of distractions while operating the press.
- Store the press in a safe place when not in use, away from children and pets.
- Use the press only for its intended purpose as described in the manual.
- Regularly inspect the press for any signs of wear or damage before use.
- Always wear appropriate personal protective equipment (PPE), such as safety glasses and gloves.
- Do not exceed the recommended load capacities stated in the product specifications.
- Be aware of your surroundings and ensure that no one is in close proximity while operating the press.

## Specific Safety Precautions for Use

- Ensure that the press is securely mounted to a stable work surface to prevent tipping or movement during operation.
- Keep hands, clothing, and tools away from moving parts to avoid injury.
- Use caution when handling and measuring powders and primers; follow all safety data sheets (SDS) provided by the manufacturer.
- Do not use the press in damp or wet conditions to avoid electrical hazards.
- Always use the safety shielded priming system as intended to prevent accidental primer discharge.
- When changing dies or making adjustments, ensure the press is in a safe position and not under tension.
- Do not attempt to modify or alter the press in any way that is not approved by the manufacturer.

## Instructions for Installation and Usage

### Installation

1. Choose a stable and flat surface for mounting the press.
2. Use bolts or screws to securely attach the press to the work surface.
3. Ensure that the press is level and does not wobble.
4. Install the primer pickup tubes according to the manufacturer's instructions.

### Usage

1. Before beginning, read the instructions for loading and operating the press.
2. Set up the die plate according to the caliber you are using.
3. Load the appropriate powder and primers as specified in the manual.
4. Conduct a test run with dummy rounds to ensure proper operation before actual reloading.
5. Monitor the operation closely and be prepared to stop if any issues arise.

## Disposal Instructions

- Dispose of spent primers and other waste materials according to local regulations.

- Do not throw away hazardous materials such as powders or primers in regular trash.
- Contact your local waste management facility for proper disposal methods.

## **Contact Information for Further Support**

For any questions or concerns regarding the operation or safety of the RCBS Pro Chucker 5 Progressive Press, please consult the manufacturer's customer support resources.

By following these guidelines and precautions, you can ensure a safe and efficient reloading experience with the RCBS Pro Chucker 5 Progressive Press. Thank you for your attention to safety!
