# PRO CHUCKER 7 SHELLPLATES SAFETY INSTRUCTIONS

## Introduction

Thank you for choosing the PRO CHUCKER 7 SHELLPLATE #30 by RCBS. This product is designed to enhance your reloading experience with the RCBS Pro Chucker 7 Progressive Reloading Press. To ensure safe and effective use, please read and follow these safety instructions carefully.

## General Safety Guidelines

- Ensure that the PRO CHUCKER 7 SHELLPLATE is used only with compatible cartridges: 41 Remington Magnum and 30 Remington AR.
- Always wear appropriate safety gear, including safety glasses and gloves, when reloading ammunition.
- Keep your work area clean and free of distractions to avoid accidents during the reloading process.
- Store the shellplates in a dry, secure location away from children and pets.
- Regularly inspect the shellplates for wear or damage before each use. Do not use damaged shellplates.
- Follow all local laws and regulations regarding ammunition reloading.

## Specific Safety Precautions for Use

- Do not exceed the recommended load specifications for your cartridges.
- Ensure that the shellplate is properly secured in the reloading press before use.
- Avoid placing fingers or hands near moving parts during operation.
- If you experience any malfunctions or unusual noises during use, stop immediately and inspect the equipment.
- Keep all components of the reloading press and shellplates away from open flames or heat sources.
- Do not leave the reloading press unattended while in use.

## Instructions for Installation and Usage

### 1. Installation of Shellplate:

- Ensure that the reloading press is turned off and unplugged.
- Remove any existing shellplate from the press.
- Align the PRO CHUCKER 7 SHELLPLATE #30 with the mounting points on the press.
- Secure the shellplate in place according to the manufacturer's instructions.
- Doublecheck that the shellplate is firmly attached before proceeding.

### 2. Usage Instructions:

- Set up your reloading station in a wellventilated area.
- Load the appropriate cartridges (41 Remington Magnum or 30 Remington AR) into the shellplate.
- Follow the reloading press's instructions for operating the machine.
- Monitor the reloading process closely for any signs of malfunction or error.

### 3. PostUse Care:

- After reloading, clean the shellplates to remove any residue.
- Store the shellplates in a designated storage area to prevent damage.

## Disposal Instructions

- Dispose of any damaged or worn shellplates according to local regulations.
- Do not discard shellplates in regular household waste.
- If unsure about disposal methods, contact your local waste management facility for guidance.

## Contact Information for Further Support

For any safety inquiries or concerns regarding the PRO CHUCKER 7 SHELLPLATE #30, please refer to the manufacturer's contact details provided with your product. It is important to have access to support for any questions or issues that may arise.

By following these safety instructions, you can ensure a safe and effective reloading experience with your PRO CHUCKER 7 SHELLPLATE #30. Always prioritize safety and compliance with regulations during the reloading process. Thank you for your attention to these important guidelines.
