# Safety Instruction Guide for PRO CHUCKER 7 SHELLPLATES

## Introduction

Thank you for choosing the PRO CHUCKER 7 SHELLPLATES. This guide provides essential safety instructions to ensure the safe use and handling of the shellplates designed for the RCBS Pro Chucker 7 Progressive Reloading Press. Please read this guide thoroughly before using the product.

## General Safety Guidelines

- Ensure that you are familiar with the operation of the RCBS Pro Chucker 7 Progressive Reloading Press before using the shellplates.
- Keep the shellplates and all reloading components out of reach of children and vulnerable individuals.
- Always wear appropriate safety gear, including safety glasses and gloves, when handling ammunition and reloading equipment.
- Inspect the shellplates for any signs of damage or wear before each use. Do not use damaged shellplates.
- Follow all manufacturer instructions and guidelines for the RCBS Pro Chucker 7 Progressive Reloading Press.

## Specific Safety Precautions for Use

- Use only the designated cartridges (4440 Winchester, 3840 Winchester, 45 Schofield) with the PRO CHUCKER 7 SHELLPLATES.
- Ensure that the shellplates are properly installed and secured before operating the reloading press.
- Avoid overloading the press or using excessive force, as this can lead to equipment failure and personal injury.
- Do not modify or alter the shellplates in any way. Modifications can compromise safety and performance.
- Always work in a wellventilated area to minimize exposure to dust and other contaminants.

## Instructions for Installation and Usage

### 1. Installation of Shellplates:

- Ensure that the RCBS Pro Chucker 7 Progressive Reloading Press is unplugged and not in operation.
- Remove any existing shellplate from the press by following the manufacturer's instructions.
- Align the PRO CHUCKER 7 SHELLPLATE #35 with the mounting points on the press.
- Secure the shellplate in place according to the manufacturer's instructions, ensuring it is tightly fitted.

### 2. Usage of Shellplates:

- Load the appropriate cartridge into the shellplate.
- Ensure that the press is set up correctly and all components are functioning properly.
- Operate the press according to the manufacturer's instructions, monitoring for any unusual sounds or resistance.
- After reloading, inspect the completed ammunition for any defects before use.

## Disposal Instructions

- Dispose of any damaged or worn shellplates in accordance with local regulations for hazardous waste.
- If the shellplates are no longer usable, consider recycling them if possible. Check with local recycling

facilities for guidance.

## **Conclusion**

By following these safety instructions, you can ensure a safe and effective reloading experience with the PRO CHUCKER 7 SHELLPLATES. Always prioritize safety and adhere to the guidelines provided in this document. Thank you for your attention to these important safety measures.
