

LOCK-N-LOAD AP PRIMER POCKET SWAGE TOOL - 308/7.62MM PRIMER POCKET SWAGE TOOL

[Reloading](#) > [Case Preparation](#) > [Primer Pocket Tools](#) > [Reamers & Swagers](#)

The Hornady® Lock-N-Load® AP™ Primer Pocket Swage Tool quickly and cleanly removes crimps on cartridge case primer pockets. Designed to be used on the Lock-N-Load® AP™ press, the Lock-N-Load® AP™ Primer Pocket Swage Tool comes with shell holder, feed, swage tool, and eject dies to make your job easier. Available in 223 Rem/5.56 and 308 Win/7.62 models, swage depth can be adjusted to accommodate various brands of cases. Swaging out the crimps instead of cutting them eliminates trimmings and mess.

Safety Instruction Guide for LOCKNLOAD AP PRIMER POCKET SWAGE TOOL 308/7.62MM

Introduction

Thank you for choosing the Hornady® LockNLoad® AP™ Primer Pocket Swage Tool. This tool is designed to safely and efficiently remove crimps from cartridge case primer pockets. Please read this safety instruction guide thoroughly to ensure safe use and compliance with the EU General Product Safety Regulation (GPSR).

General Safety Guidelines

- Always use the tool according to the manufacturer's instructions to prevent accidents.
- Keep the tool out of reach of children and vulnerable individuals.
- Inspect the tool for any damage before use. Do not use if damaged.
- Use appropriate personal protective equipment (PPE) such as safety glasses and gloves while operating the tool.
- Ensure your work area is clean, dry, and welllit to minimize risks.
- Be aware of your surroundings and avoid distractions while using the tool.

Specific Safety Precautions for Use

- **Potential Hazards:**

- Risk of injury from sharp edges or moving parts.
- Risk of eye injury from debris or fragments.
- Risk of damage to the tool and cartridges if not used properly.

- **Avoiding Hazards:**

- Always handle the tool with care, keeping fingers and hands away from moving parts.
- Do not attempt to modify or alter the tool in any way.
- Ensure that the shell holder is properly secured before use.
- Do not exceed the recommended swage depth to avoid damaging the tool or cartridges.
- Use the tool only with compatible cartridge cases as specified by the manufacturer.

- **AgeSpecific Warnings:**

- This tool is not intended for use by individuals under the age of 18. Ensure adult supervision when used by younger individuals.

Instructions for Installation and Usage

1. Installation:

- Securely attach the LockNLoad® AP™ Primer Pocket Swage Tool to the LockNLoad® AP™ press according to the manufacturer's instructions.
- Insert the appropriate shell holder for the cartridge case you are working with.

2. Usage:

- Place the cartridge case into the shell holder.
- Adjust the swage depth as needed for the specific brand of cartridge cases.
- Operate the press to swage the primer pocket, ensuring the tool is functioning smoothly.

- After swaging, inspect the primer pocket to ensure the crimp has been properly removed.
- Clean the tool after use to maintain its functionality and longevity.

Disposal Instructions

- Dispose of any damaged or wornout components of the tool in accordance with local regulations.
- Do not dispose of the tool in regular household waste. Check local recycling programs for proper disposal methods.
- Ensure that any cartridge cases that have been swaged are disposed of responsibly.

Contact Information for Further Support

For any safety inquiries or support regarding the LockNLoad® AP™ Primer Pocket Swage Tool, please refer to the manufacturer's contact information provided with the product packaging.

Conclusion

By following this safety instruction guide, you can ensure the safe use of the Hornady® LockNLoad® AP™ Primer Pocket Swage Tool. Always prioritize safety and proper usage to enjoy the benefits of this tool effectively. Thank you for your attention to these important safety guidelines.
