

# TYPE S MATCH BUSHING FULL DIE SETS - REDDING 28 NOSLER BUSHING FULL LENGTH DIE SET

[Reloading](#) > [Reloading Dies](#) > [Rifle Dies](#)

The Redding Type S Match Bushing Full Die Set contains a Type S Bushing Full Sizing Die and a Competition Seating Die. The Type S Bushing Full Die allows full length resizing while maintaining exact control of the case neck. Interchangeable bushings allow you to determine your own level of sizing and neck tension. The Competition Bullet Seating Die features a micrometer calibrated in .001" increments and floating seating stem system which help eliminate concentricity problems.

# Safety Instruction Guide for TYPE S MATCH BUSHING FULL DIE SETS REDDING 28 NOSLER BUSHING FULL LENGTH DIE SET

## Introduction

Thank you for choosing the Redding Type S Match Bushing Full Die Set for your reloading needs. This guide provides important safety information and instructions to ensure the safe and effective use of the product. Please read this guide thoroughly before using the die set.

## General Safety Guidelines

- Always follow all local, state, and national laws regarding reloading and ammunition.
- Ensure that the workspace is clean, organized, and free from distractions.
- Use eye protection and hearing protection when operating reloading equipment.
- Keep the die set and all reloading components out of reach of children and unauthorized users.
- Inspect all components for damage or wear before use.
- Never exceed recommended load limits for any reloading components.

## Specific Safety Precautions for Use

- **Hazard Identification:**
  - The die set is designed for precision reloading. Improper use may lead to unsafe ammunition.
  - Ensure that the correct bushing is used for the specific caliber to avoid neck tension issues.
- **Avoiding Hazards:**
  - Always check that the die is securely mounted before resizing or seating bullets.
  - Do not force the die if it is stuck; instead, check for obstructions or misalignment.
  - Use the micrometer on the Competition Bullet Seating Die carefully to prevent overseating bullets.
- **Audience Specific Warnings:**
  - This product is intended for use by individuals who are knowledgeable in reloading practices. It is not suitable for inexperienced users.
  - Keep all tools and components out of reach of children.

## Instructions for Installation and Usage

### 1. Installation:

- Ensure that your reloading press is compatible with the Redding Type S Match Bushing Full Die Set.
- Securely mount the Type S Bushing Full Sizing Die in the press according to the manufacturer's instructions.
- Insert the appropriate bushing for the 28 Nosler cartridge into the sizing die.

### 2. Usage:

- **Full Length Resizing:**

- Place the cartridge case into the shell holder.
- Operate the press handle to resize the case fully, ensuring that the die is adjusted to the desired depth.
- **Neck Tension Adjustment:**
  - Change the bushing as needed to achieve the desired neck tension for your specific load.
- **Bullet Seating:**
  - Insert the bullet into the case mouth.
  - Use the Competition Bullet Seating Die to seat the bullet to the desired depth. Adjust the micrometer in .001" increments for precise control.
  - Ensure that the floating seating stem is properly aligned to prevent concentricity issues during seating.

### 3. **Post Use:**

- Clean the dies after use to prevent corrosion and maintain precision.
- Store the die set in a dry, secure location, away from moisture and unauthorized access.

## **Disposal Instructions**

- Dispose of any damaged or worn components in accordance with local regulations.
- Recycle packaging materials where possible.
- Ensure that all hazardous materials, such as spent primers and powder residues, are disposed of following local environmental regulations.

## **Contact Information for Further Support**

For any questions regarding the use, safety, or maintenance of the Redding Type S Match Bushing Full Die Set, please refer to the manufacturer's website or contact their customer service for assistance.

Thank you for prioritizing safety and compliance with these guidelines. Enjoy your reloading experience!
