# **Safety Instruction Guide for TYPE S MATCH BUSHING NECK DIE SETS REDDING TYPE S MATCH BUSHING NECK DIE SET 28 NOSLER**

## **Introduction**

Thank you for choosing the TYPE S MATCH BUSHING NECK DIE SETS from Redding. This guide provides essential safety instructions to ensure the safe usage of your die set. Please read this guide thoroughly before using the product.

## **General Safety Guidelines**

- Ensure that the die set is used only for its intended purpose, which is reloading ammunition for the 28 Nosler cartridge.
- Always wear appropriate safety gear, including safety glasses, when handling reloading equipment.
- Keep the die set and all related components out of reach of children and unauthorized users.
- Regularly inspect the die set for any signs of damage or wear before use.
- Store the die set in a dry, cool place to prevent corrosion and damage.
- Follow all local laws and regulations regarding ammunition reloading and usage.

## **Specific Safety Precautions for Use**

- Always ensure that the reloading area is wellventilated to avoid inhalation of any dust or fumes.
- Avoid wearing loose clothing or jewelry that could get caught in the reloading equipment.
- Never exceed the recommended load data for the 28 Nosler cartridge as specified by reputable reloading manuals.
- Use the correct tools and equipment as specified in the die set instructions to avoid accidents.
- Be cautious when handling primers and powders, as they can be hazardous if not managed correctly.
- If you experience any malfunctions during the reloading process, stop immediately and inspect the equipment.

## **Instructions for Installation and Usage**

### **1. Installation of the Die Set:**

- Start by cleaning the reloading press and ensuring it is free from debris.
- Install the Type S Bushing Neck Sizing Die in the press following the manufacturer's instructions.
- Secure the Body Die and Competition Seating Die in the press as per the setup guide included with the die set.
- Make sure all dies are tightened and aligned properly before use.

### **2. Usage of the Die Set:**

- Follow the reloading data specific to the 28 Nosler cartridge when adjusting the dies.
- For sizing, ensure that the case is properly lubed to prevent sticking in the die.
- After sizing, check the dimensions of the case to ensure it meets specifications.
- When seating bullets, adjust the Competition Seating Die to achieve the desired bullet seating depth.
- Always perform a test run with a dummy round to verify the setup before loading live ammunition.

## **Disposal Instructions**

- Dispose of any unused or expired components in accordance with local regulations.
- Do not throw away hazardous materials such as primers or powders in regular trash. Instead, follow your local waste management guidelines for hazardous waste disposal.
- Ensure that all packaging materials are recycled or disposed of properly.

## **Contact Information for Further Support**

For any safety inquiries or further assistance regarding the TYPE S MATCH BUSHING NECK DIE SETS, please refer to the contact information provided on the packaging or the manufacturer's website.

## **Conclusion**

By following these safety instructions, you can ensure a safe reloading experience with your TYPE S MATCH BUSHING NECK DIE SETS. Always prioritize safety and stay informed about best practices in ammunition reloading. Thank you for your attention to these important guidelines.
