# Safety Instruction Guide for SEATER DIES REDDING SEATING DIE 26 NOSLER

## Introduction

Thank you for purchasing the Redding Seating Die for 26 Nosler. This product is designed to provide precise bullet seating for reloading ammunition. To ensure safe and effective use of this product, please read and follow the safety instructions outlined in this guide.

## General Safety Guidelines

- Always handle reloading equipment with care and follow all manufacturer instructions.
- Ensure that the die is used in a wellventilated area to avoid inhaling any dust or particles created during the reloading process.
- Keep the die and all reloading components out of reach of children and unauthorized users.
- Regularly inspect the die for any signs of wear or damage before use.
- Store the die in a safe and dry location when not in use.

## Specific Safety Precautions for Use

- **Personal Protective Equipment (PPE):** Always wear safety glasses and gloves when using the die to protect against any potential hazards.
- **Avoid Overloading:** Do not exceed the recommended load specifications for the 26 Nosler cartridge as it can lead to dangerous malfunctions.
- **Proper Setup:** Ensure that the die is securely mounted to your reloading press before use to prevent accidents.
- **Crimping Caution:** When using the builtin crimp ring, be cautious to avoid excessive crimping which may affect bullet performance.
- **Follow Guidelines:** Always adhere to the recommended reloading data provided by reliable sources to ensure safety and effectiveness.

## Instructions for Installation and Usage

### 1. Installation:

- Unpack the die and inspect it for any damage.
- Mount the die securely onto your reloading press, ensuring it is tightened appropriately.
- Adjust the seating plug to the desired depth based on your reloading specifications.

### 2. Usage:

- Place the cartridge case into the press and ensure it is properly aligned.
- Insert the bullet into the case mouth.
- Slowly operate the press to seat the bullet to the desired depth.
- Check the seating depth with a caliper to ensure accuracy.
- If crimping, adjust the crimp ring as needed and repeat the process.

### 3. PostUsage Care:

- After use, clean the die with a soft cloth to remove any residue.
- Store the die in its original packaging or a safe container to protect it from damage.

## **Disposal Instructions**

- Dispose of any unused or damaged components in accordance with local regulations.
- Do not dispose of the die or any metal parts in regular household waste. Check for local metal recycling programs or hazardous waste disposal guidelines.

## **Contact Information for Further Support**

For any questions or concerns regarding the Redding Seating Die, please refer to the manufacturer's website or contact their customer service for assistance.

## **Conclusion**

By following these safety instructions, you can ensure a safe and effective reloading experience with your Redding Seating Die for 26 Nosler. Always prioritize safety and stay informed about best practices in reloading. Thank you for choosing Redding.
