

# PREMIUM FULL LENGTH DIE SETS - REDDING PREMIUM FULL LENGTH DIE SET 308 WIN

[Reloading](#) > [Reloading Dies](#) > [Rifle Dies](#)

Following the introduction of Bullet Seating Micrometers for our standard series of seating dies, our customers have been asking for complete die sets with this added precision. We have now added two popular upgrades to a select group of "Series A" dies to create the new "Premium" Series Die Sets. The upgrades include combining a Carbide Size Button in the full length sizing die and the Bullet Seating Micrometer on the seating die. The "Premium" Full Length, two (2) die set; contains a carbide Size Button in the full length sizing die and the Bullet Seating Micrometer on the seating die.

# Safety Instruction Guide for Redding Premium Full Length Die Set 308 Win

## Introduction

Thank you for choosing the Redding Premium Full Length Die Set for 308 Winchester. This guide provides essential safety instructions and usage guidelines to ensure your safety and the effective operation of your die set. Please read this entire guide carefully before using the product.

## General Safety Guidelines

- **Product Safety:** Ensure safe use of the die set by following all instructions. This product is designed for reloading ammunition and should only be used by individuals familiar with reloading practices.
- **Enhanced Recalls:** Stay informed about any potential recalls. If you receive a notice regarding this product, please follow the instructions provided.
- **Online Shopping:** If purchased online, ensure that the retailer complies with safety requirements and provides adequate product information.
- **Special Consumer Focus:** Keep this product out of reach of children and individuals unfamiliar with its use. It is intended for adult users only.
- **EU Contact Point:** For any safety inquiries, please refer to the manufacturer or retailer from whom you purchased this product.
- **Rapid Alerts:** Check the EU's Safety Gate platform for updates on product safety and recall information.

## Specific Safety Precautions for Use

- **Read All Instructions:** Before using the die set, read all instructions provided in this guide as well as any additional documentation included with the product.
- **Use Personal Protective Equipment (PPE):** Always wear safety glasses and gloves when reloading ammunition.
- **Inspect the Die Set:** Before each use, inspect the die set for any signs of damage or wear. Do not use if damaged.
- **Work in a Safe Environment:** Ensure your workspace is clean, welllit, and free from distractions.
- **Keep Away from Heat Sources:** Store the die set in a cool, dry place away from direct sunlight and heat sources.
- **Avoid Alcohol and Drugs:** Do not use the die set while under the influence of alcohol or drugs.
- **Follow Ammunition Guidelines:** Only use the die set with compatible cartridges as specified in the product description.

## Instructions for Installation and Usage

### 1. Installation of the Die Set:

- Ensure your reloading press is properly mounted and secure.
- Insert the fulllength sizing die into the press and tighten it according to the manufacturer's instructions.
- Install the bullet seating die in the same manner.

### 2. Adjusting the Carbide Size Button:

- Adjust the carbide size button to the desired setting for your specific cartridge.
- Ensure the size button is securely fastened to prevent movement during use.

### 3. Using the Bullet Seating Micrometer:

- Set the micrometer to the desired bullet seating depth.
- Test the seating depth with a dummy round before proceeding with live ammunition.

#### 4. **Reloading Process:**

- Follow all standard reloading procedures, ensuring each step is performed correctly.
- Monitor the process closely to avoid any mistakes that could lead to unsafe ammunition.

#### 5. **PostUse Care:**

- After use, clean the die set to remove any residue or debris.
- Store the die set in its original packaging or a secure location to prevent damage.

## **Disposal Instructions**

- **Disposal of Unused or Damaged Products:** If you need to dispose of the die set, follow local regulations for hazardous waste disposal. Do not throw it in regular household waste.
- **Recycling:** Check if the materials can be recycled according to local guidelines. Dispose of packaging materials responsibly.

## **Contact Information for Further Support**

For any questions, concerns, or support regarding the Redding Premium Full Length Die Set, please refer to the retailer or manufacturer from whom you purchased this product. They will provide the necessary assistance and information regarding safety and product use.

By following these safety instructions, you can ensure a safe and effective reloading experience with your Redding Premium Full Length Die Set. Thank you for prioritizing safety in your reloading practices.
