Safety Instruction Guide for Redding Premium Deluxe Die Sets

Introduction

Thank you for choosing the Redding Premium Deluxe Die Set for your reloading needs. This guide provides essential safety instructions and guidelines to ensure your safe and effective use of this product. Please read this document carefully before using the die set.

General Safety Guidelines

- Ensure that you are familiar with the basic principles of reloading ammunition.
- Always wear appropriate safety gear, including eye protection and gloves, while handling reloading equipment.
- Keep the die set and all reloading components out of reach of children and unauthorized users.
- Regularly inspect the equipment for any signs of wear or damage before use.
- Follow all local laws and regulations regarding ammunition reloading and storage.
- Report any unsafe products or accidents to the relevant authorities.

Specific Safety Precautions for Use

- **Hazard Identification:**
 - Improper handling or use of the die set may lead to personal injury or property damage.
 - Ensure that the die set is used only with compatible cartridges, specifically the 222 Remington.
- **Avoiding Hazards:**
 - Always ensure that the reloading press is stable and secured before use.
 - Do not exceed recommended loads as specified by reliable reloading manuals.
 - Use the Carbide Size button correctly to avoid damaging the die or the cartridge.
 - Adjust the Bullet Micrometer Seating Die carefully to prevent accidental overseating of the bullet.

Instructions for Installation and Usage

- **Installation:**
 1. Ensure your reloading press is clean and free of debris.
 2. Attach the Full Length Sizing Die with Carbide Sizing Button to the press according to the manufacturer's instructions.
 3. Secure the Bullet Micrometer Seating Die and standard Neck Sizing Die in a similar manner.
 4. Make sure all dies are tightened properly to avoid any movement during operation.
- **Usage:**
 1. Begin with the Full Length Sizing Die to resize the brass cases.
 2. Use the Carbide Size button to ensure smooth resizing.
 3. After resizing, proceed to the Neck Sizing Die if necessary for further adjustments.
 4. Use the Bullet Micrometer Seating Die to set the desired bullet seating depth. Make incremental adjustments as needed.
 5. Follow standard reloading procedures and refer to reliable reloading manuals for guidance on load specifications.

Disposal Instructions

- Dispose of any unused or damaged components in accordance with local regulations.
- Ensure that all materials used in the reloading process are disposed of safely to prevent environmental contamination.
- Do not dispose of hazardous materials in regular trash.

Contact Information for Further Support

For any safety inquiries or further support regarding the Redding Premium Deluxe Die Set, please refer to the manufacturer's website or contact their customer support for assistance.

By following these guidelines, you can ensure a safe and successful reloading experience with the Redding Premium Deluxe Die Set. Thank you for your attention to safety and proper usage.
