# Safety Instruction Guide for Redding Premium Deluxe Die Sets 270 Winchester

## Introduction

Thank you for choosing the Redding Premium Deluxe Die Set for your reloading needs. This guide is designed to provide essential safety information and instructions for the proper use of this product. Adhering to these guidelines will help ensure a safe and effective reloading experience.

## General Safety Guidelines

- Ensure that you are familiar with the safe handling and operation of reloading equipment.
- Always wear appropriate personal protective equipment (PPE), such as safety glasses and gloves, when using this product.
- Keep the die set and all reloading components out of reach of children and unauthorized users.
- Store the die set in a dry, cool place to prevent rust and damage.
- Regularly inspect the die set for wear or damage before use.
- Follow all local laws and regulations regarding reloading and ammunition.

## Specific Safety Precautions for Use

### • Potential Hazards:

- Improper use of the die set can lead to accidents, including firearm malfunctions.
- Reloading with damaged or worn components can result in dangerous situations.

### • Instructions to Avoid Hazards:

- Always ensure that your reloading press is securely mounted and stable before use.
- Do not exceed the recommended load specifications for your cartridges.
- Use only highquality components that are compatible with the die set.
- Make incremental adjustments to the bullet seating depth to avoid excessive pressure.
- Never leave the reloading process unattended.

### • Age or Audience Specific Warnings:

- This product is intended for use by adults who are knowledgeable about reloading practices. It is not suitable for children.

## Instructions for Installation and Usage

### • Installation:

1. Secure the reloading press to a stable work surface.
2. Install the Full Length sizing die with Carbide sizing button into the reloading press according to the manufacturer's instructions.
3. Install the Bullet Micrometer Seating Die and standard Neck Sizing Die in the same manner.
4. Ensure all dies are tightened properly to prevent movement during operation.

### • Usage:

#### ◦ For resizing:

1. Insert the cartridge case into the Full Length sizing die.
2. Operate the press to resize the case smoothly and effortlessly.

- **For seating bullets:**

1. Place the bullet on the case mouth.
2. Adjust the Bullet Micrometer Seating Die to your desired depth.
3. Operate the press to seat the bullet securely.

- **Maintenance:**

- After use, clean the die set with a soft cloth to remove any debris.
- Store the die set in its original packaging or a suitable container to protect it from damage.

## Disposal Instructions

- Dispose of any damaged or unusable components in accordance with local regulations.
- Do not throw away the die set in regular household waste. Check with local waste management authorities for proper disposal methods.

## Contact Information for Further Support

For any inquiries regarding safety or product support, please refer to the contact details provided by the manufacturer or authorized dealer.

By following these safety instructions, you can ensure a safe and successful reloading experience with your Redding Premium Deluxe Die Set. Thank you for your attention to safety!
