Safety Instruction Guide for PREMIUM DELUXE DIE SETS REDDING 300 REM ULTRA MAG

Introduction

Thank you for choosing the Redding Premium Deluxe Die Set for your reloading needs. This product is designed to enhance precision and ease of use for reloaders. It is crucial to follow the safety guidelines and instructions provided in this manual to ensure safe handling and usage of the die set.

General Safety Guidelines

- Always read and understand the product manual before use.
- Ensure that the die set is used in accordance with the manufacturer's specifications.
- Keep the die set out of reach of children and vulnerable individuals.
- Regularly inspect the die set for any signs of wear or damage before use.
- Report any unsafe conditions or incidents to the relevant authorities.
- Stay updated on product recalls or safety alerts via the EU Safety Gate platform.

Specific Safety Precautions for Use

- Use appropriate personal protective equipment (PPE) such as safety glasses when reloading.
- Ensure that the workspace is clean, dry, and welllit to avoid accidents.
- Do not exceed recommended load specifications as indicated in the reloading manual.
- Avoid distractions while reloading to maintain focus and precision.
- Store the die set in a secure location when not in use to prevent unauthorized access.

Instructions for Installation and Usage

1. Installation of the Die Set:

- Ensure your reloading press is securely mounted and stable.
- Carefully unpack the die set and inspect for any damage.
- Install the Full Length Sizing Die with Carbide sizing button into the reloading press.
- Install the Bullet Micrometer Seating Die into the press, ensuring it is properly secured.
- Lastly, install the standard Neck Sizing Die if required.

2. Usage Instructions:

- Prepare your brass cases by cleaning and inspecting them for damage.
- Adjust the Full Length Sizing Die to the desired size by following the manufacturer's guidelines.
- Use the Carbide Size button for smooth resizing of the brass cases.
- For bullet seating, use the Bullet Micrometer Seating Die to make precise adjustments to the seating depth.
- Follow the recommended procedures for reloading, ensuring to adhere to safety specifications at each step.

Disposal Instructions

- Dispose of any damaged or worn components in accordance with local regulations.
- Do not throw the die set in regular household waste if it is damaged; check for specific disposal guidelines for hazardous materials.
- Recycle packaging materials where possible.

Contact Information for Further Support

For any questions or concerns regarding the Redding Premium Deluxe Die Set, please refer to the manufacturer's website or contact their customer support for assistance. Ensure that you have the product details and any relevant information available to facilitate the inquiry.

By following these safety instructions, you can ensure a safe and efficient reloading experience with your Redding Premium Deluxe Die Set. Thank you for prioritizing safety!
