Safety Instruction Guide for PREMIUM DELUXE DIE SETS REDDING 308 WINCHESTER PREMIUM DELUXE DIE SET

Introduction

Thank you for choosing the Redding Premium Deluxe Die Set for your reloading needs. This guide provides essential safety instructions and guidelines to ensure the safe and effective use of this product. Please read this document carefully before using the die set.

General Safety Guidelines

- Always follow the manufacturer's instructions for safe use of the die set.
- Ensure that you are familiar with the reloading process before using this product.
- Store the die set in a dry, cool place away from direct sunlight and moisture.
- Keep the die set out of reach of children and unauthorized users.
- Regularly inspect the die set for wear or damage. Do not use if any parts are worn or damaged.
- Report any unsafe conditions or accidents to the relevant authorities.

Specific Safety Precautions for Use

- **Personal Protective Equipment (PPE):**
 - Always wear safety glasses to protect your eyes during the reloading process.
 - Use gloves to protect your hands from sharp edges and potential chemical exposure.
- **Handling and Operation:**
 - Handle the die set with care to avoid injury.
 - Do not force any components together; ensure they fit properly before use.
 - Avoid distractions while operating the die set to maintain focus and safety.
- **Reloading Practices:**
 - Follow the recommended load data for the 308 Winchester cartridge.
 - Use appropriate tools and equipment designed for reloading.
 - Ensure that the work area is clean and organized to prevent accidents.

Instructions for Installation and Usage

1. Installation:

- Carefully unpack the die set and ensure all components are present.
- Follow the instructions for installing the Full Length Sizing Die, Bullet Micrometer Seating Die, and Neck Sizing Die into your reloading press.
- Secure each die according to the manufacturer's specifications to prevent movement during operation.

2. Usage:

- Begin with the Full Length Sizing Die:
 - Adjust the die to the desired setting using the Carbide Size button.

- Insert the cartridge case into the die and operate the press smoothly.
- Next, use the Bullet Micrometer Seating Die:
 - Set the micrometer to the desired bullet seating depth.
 - Insert the bullet into the cartridge case and operate the press to seat the bullet.
- Finally, use the Neck Sizing Die if needed:
 - Adjust the die as per your requirements and resize the neck of the cartridge case.

3. Post Usage:

- After completing your reloading tasks, clean the die set to remove any residue.
- Store the die set in its original packaging or a suitable container to protect it from damage.

Disposal Instructions

- Dispose of any unused or damaged components in accordance with local regulations.
- Do not dispose of reloading materials or chemicals in regular waste. Follow local guidelines for hazardous waste disposal.

Contact Information for Further Support

For questions or concerns regarding the Redding Premium Deluxe Die Set, please refer to the contact information provided on the product packaging or visit the manufacturer's website. Ensure you have the product details ready for a more efficient response.

By following these guidelines, you can ensure a safe and effective reloading experience with your Redding Premium Deluxe Die Set. Always prioritize safety and seek assistance if you are unsure about any aspect of the reloading process. Thank you for your attention to safety.
