

# NATIONAL MATCH DIE SETS - REDDING 6.5MM CREEDMOOR NATIONAL MATCH DIE SET

[Reloading](#) > [Reloading Dies](#) > [Rifle Dies](#)

The Redding National Match Die Set is for the serious match and military shooter. Each set includes a Full Length Sizing Die (non-bushing type), Taper Crimp Die, and Competition Bullet Seater. "Across the Course" and "Long Range" shooters have bought these dies individually for years at the NRA National Matches. Shooters that prefer the results of a separate taper crimp operation now have their needs packaged in a convenient die set.

# Safety Instruction Guide for Redding 6.5MM Creedmoor National Match Die Set

## Introduction

Thank you for choosing the Redding 6.5MM Creedmoor National Match Die Set. This guide provides essential safety instructions and guidelines to ensure the safe use of this product. Please read this manual carefully before using the die set.

## General Safety Guidelines

- Ensure safe use of the die set by following all instructions.
- Be aware of potential risks associated with reloading and shooting.
- Keep the die set out of reach of children and unauthorized users.
- Always wear appropriate safety gear, including eye and ear protection, when using reloading equipment.
- Report any unsafe products or accidents to the relevant authorities.
- Stay informed about recall updates on the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- Always handle the die set with care to avoid injury.
- Use the die set only for its intended purpose—reloading ammunition for the 6.5MM Creedmoor.
- Inspect the die set for any signs of damage or wear before each use.
- Ensure that the reloading area is well-ventilated and free from distractions.
- Follow the manufacturer's instructions for setting up and using each die.
- Do not exceed recommended loads as specified in reputable reloading manuals.
- Keep fingers and hands clear of moving parts during operation.

## Instructions for Installation and Usage

### 1. Installation

- Unpack the die set and ensure all components are present: Full Length Sizing Die, Taper Crimp Die, and Competition Bullet Seater.
- Clean the dies with a suitable solvent to remove any protective oils before use.
- Install the Full Length Sizing Die into the reloading press according to the manufacturer's instructions.
- Adjust the die to the appropriate height for your specific reloading setup.

### 2. Usage

- Start by resizing the brass cases using the Full Length Sizing Die.
- Follow the specific instructions for the Taper Crimp Die to apply the crimp to the bullets.
- Use the Competition Bullet Seater to accurately seat the bullets to the desired depth.
- Regularly check for consistency in bullet seating and overall cartridge dimensions.
- After reloading, store the completed cartridges in a safe and secure location.

## Disposal Instructions

- Dispose of any damaged or worn components of the die set in accordance with local waste disposal regulations.
- Do not throw away the die set in regular household waste if it is still functional; consider donating or recycling if applicable.

- Ensure that any unused or expired ammunition is disposed of safely and in compliance with local laws.

## **Contact Information for Further Support**

For any inquiries or further assistance regarding the Redding 6.5MM Creedmoor National Match Die Set, please refer to the manufacturer's website or customer service resources.

By following these safety instructions and guidelines, you can ensure a safe and enjoyable experience with your Redding National Match Die Set. Thank you for your attention to safety and responsible reloading practices.
