

# NATIONAL MATCH DIE SETS - REDDING 6.5MM GRENDDEL NATIONAL MATCH DIE SET

[Reloading](#) > [Reloading Dies](#) > [Rifle Dies](#)

The Redding National Match Die Set is for the serious match and military shooter. Each set includes a Full Length Sizing Die (non-bushing type), Taper Crimp Die, and Competition Bullet Seater. "Across the Course" and "Long Range" shooters have bought these dies individually for years at the NRA National Matches. Shooters that prefer the results of a separate taper crimp operation now have their needs packaged in a convenient die set.

# Redding National Match Die Set Safety Instruction Guide

## Introduction

Thank you for choosing the Redding National Match Die Set for your shooting needs. This guide provides essential safety instructions and guidelines to ensure the safe use of the die set. Please read this document carefully before using the product.

## General Safety Guidelines

- Ensure safe handling of all components of the die set.
- Always use the die set in accordance with the manufacturer's instructions.
- Be aware of the risks associated with reloading ammunition and follow proper safety protocols.
- Keep the die set out of reach of children and unauthorized users.
- Regularly inspect the die set for signs of wear or damage before each use.

## Specific Safety Precautions for Use

- Always wear appropriate safety gear, including eye and ear protection, when using the die set.
- Ensure that the area where you are reloading is wellventilated and free from flammable materials.
- Do not use the die set if you are under the influence of drugs or alcohol.
- Follow recommended procedures for reloading ammunition to avoid accidents.
- Store the die set in a dry and secure location when not in use.

## Instructions for Installation and Usage

### 1. Installation of the Die Set

- Carefully unpack the die set and inspect all components.
- Follow the manufacturer's instructions to install the Full Length Sizing Die, Taper Crimp Die, and Competition Bullet Seater into your reloading press.
- Ensure that each die is securely tightened and properly aligned.

### 2. Using the Die Set

- Refer to your reloading manual for specific instructions on the 6.5mm Grendel cartridge.
- Begin with the Full Length Sizing Die to resize your brass cases.
- Use the Taper Crimp Die to apply the appropriate crimp to your loaded rounds.
- Finally, use the Competition Bullet Seater to seat your bullets to the desired depth.

### 3. Regular Maintenance

- Clean the die set regularly to remove any residue or debris.
- Check for any signs of damage or wear and replace components as necessary.
- Store the die set in its original packaging or a suitable case to prevent damage.

## Disposal Instructions

- Dispose of any damaged or worn components of the die set in accordance with local regulations.
- Do not dispose of the die set in regular household waste if it is still functional; consider donating or recycling if possible.

## **Contact Information for Further Support**

For any inquiries regarding safety concerns or product support, please refer to the manufacturer's website or contact their customer service for assistance. Ensure that you have your product details on hand for a more efficient response.

By following these safety instructions and guidelines, you can help ensure a safe and enjoyable reloading experience with your Redding National Match Die Set. Thank you for your attention to safety and compliance.
