# DROP TUBE EXTENSION SAFETY INSTRUCTIONS

## Introduction

Thank you for choosing the DROP TUBE EXTENSION by Redding. This product is designed to enhance the functionality of your Redding Powder Measures and Funnels. To ensure safe and effective use of this product, please read and follow these safety instructions carefully.

## General Safety Guidelines

- Ensure that the DROP TUBE EXTENSION is used only with Redding Powder Measures and Funnels.
- Always handle the product with care to avoid personal injury or equipment damage.
- Keep the product out of reach of children and vulnerable individuals.
- Regularly inspect the DROP TUBE EXTENSION for any signs of wear or damage before use.
- Report any unsafe conditions or accidents to the appropriate authorities.

## Specific Safety Precautions for Use

- **Caliber Compatibility:** Ensure that the DROP TUBE EXTENSION is compatible with the caliber you are using. It is suitable for .22 through .30 calibers.
- **Installation Precautions:** Make sure the DROP TUBE EXTENSION is securely fitted over the existing drop tube to prevent any accidental disconnections during use.
- **Work Environment:** Use the product in a wellventilated area, away from flammable materials.
- **Personal Protective Equipment:** Always wear appropriate personal protective equipment (PPE), such as safety glasses and gloves, when using powder measures and funnels.
- **Avoid Overloading:** Do not overload the DROP TUBE EXTENSION beyond its intended use specifications.

## Instructions for Installation and Usage

### 1. Preparation:

- Ensure that your work area is clean and organized.
- Gather all necessary tools and components before starting the installation.

### 2. Installation:

- Remove any existing drop tube from your Redding Powder Measure or Funnel.
- Align the DROP TUBE EXTENSION with the opening of the powder measure or funnel.
- Slide the DROP TUBE EXTENSION over the existing drop tube until it fits securely in place.

### 3. Usage:

- Once installed, ensure that the DROP TUBE EXTENSION is stable and secure before adding any materials.
- Follow the manufacturer's instructions for using the powder measure or funnel in conjunction with the DROP TUBE EXTENSION.
- After use, remove the DROP TUBE EXTENSION carefully to avoid spillage or accidents.

## Disposal Instructions

- Dispose of the DROP TUBE EXTENSION responsibly, following local regulations for plastic waste.
- If the product is damaged or no longer in use, consider recycling it if possible.

## **Contact Information for Further Support**

For any inquiries or concerns regarding the DROP TUBE EXTENSION, please reach out to your local Redding distributor or retailer for assistance.

By following these safety instructions, you can ensure a safe and effective experience with the DROP TUBE EXTENSION. Thank you for your attention to safety and responsible usage.
