

30 CALIBER TIPPED MATCHKING BULLETS - SIERRA BULLETS TIPPED MATCHKING 30 CALIBER (0.308") 168GR PTBT 100/BOX

[Reloading](#) > [Bullets](#) > [Rifle Bullets](#)

Sierra has enhanced a segment of the MatchKing line by adding the acetal resin tip, thus crowning the Tipped MatchKing (TMK) bullet line. The major advantage of adding a tip to the bullet is the reduction of drag, producing a more favorable ballistic coefficient. Another benefit is reliable feeding in magazine fed firearms. Although the MatchKing line is recognized around the world for record setting accuracy, like their untipped counterparts, Tipped MatchKing (TMK) bullets are not recommended for hunting anything larger than varmints. Having heavier jackets than our Hornet or Blitz line of bullets, these bullets will not provide the same explosive expansion on small varmints.

Attributes

- Name: [SIERRA BULLETS TIPPED MATCHKING 30 CALIBER \(0.308"\) 168GR PTBT 100/BOX](#)
- Manufacturer: [SIERRA BULLETS](#)
- Product no.: 749016105
- Mfr. No.: 7768
- Ballistic Coefficient (G1): 0.535
- Brand Style: Tipped MatchKing
- Bullet Style: Tipped MatchKing (TMK)
- Caliber: 30 Caliber
- Diameter (in): 0.308
- Grain: 168

Safety Instruction Guide for 30 Caliber Tipped MatchKing Bullets

Introduction

Thank you for choosing Sierra's 30 Caliber Tipped MatchKing Bullets. This guide provides essential safety instructions and guidelines to ensure safe handling, usage, and disposal of the product in compliance with the EU General Product Safety Regulation (GPSR).

General Safety Guidelines

- Ensure safe handling and usage of the bullets to prevent accidents and injuries.
- Always store bullets in a cool, dry place, away from heat sources and direct sunlight.
- Keep bullets out of reach of children and unauthorized individuals.
- Regularly check for product recalls or safety notices on the EU's Safety Gate platform.
- Report any unsafe products or accidents to the relevant authorities.

Specific Safety Precautions for Use

- **Age Restrictions:** These bullets are intended for use by adults only. Individuals under the age of 18 should not handle or use these bullets without adult supervision.
- **Firearm Compatibility:** Ensure that the firearm you are using is compatible with 30 caliber bullets. Consult the firearm's manual for specifications.
- **Protective Gear:** Always wear appropriate protective gear, including safety glasses and hearing protection, when handling or shooting.
- **Handling:**
 - Handle bullets with care to avoid accidental discharge.
 - Do not point the firearm at anything you do not intend to shoot.
 - Always keep the firearm pointed in a safe direction.
- **Loading and Unloading:**
 - Follow the firearm manufacturer's instructions for loading and unloading.
 - Ensure the firearm is on safe before loading or unloading bullets.

Instructions for Installation and Usage

1. Loading the Bullets:

- Ensure the firearm is pointed in a safe direction.
- Open the magazine and insert the bullets according to the manufacturer's instructions.
- Ensure each bullet is seated properly.

2. Firing the Bullets:

- Confirm that the firearm is in good working condition.
- Aim at the intended target, ensuring a clear and safe backdrop.
- Disengage the safety mechanism and pull the trigger gently.

3. Unloading the Bullets:

- After use, ensure the firearm is pointed in a safe direction.
- Engage the safety mechanism before unloading.
- Remove the magazine and carefully extract any remaining bullets.

Disposal Instructions

- Dispose of any unused or spent bullets in accordance with local regulations.
- Do not dispose of bullets in regular household waste.
- Contact local authorities for guidance on safe disposal methods.

Contact Information for Further Support

For any questions or concerns regarding the safety and usage of the 30 Caliber Tipped MatchKing Bullets, please refer to your local authorities or the relevant regulatory bodies.

By following these guidelines, you can ensure a safe and enjoyable experience with your Sierra 30 Caliber Tipped MatchKing Bullets. Always prioritize safety and responsible usage.
