

# 30 CALIBER TIPPED MATCHKING BULLETS - SIERRA BULLETS

## TIPPED MATCHKING 30 CALIBER (0.308") 155GR PTBT 100/BOX

[Reloading](#) > [Bullets](#) > [Rifle Bullets](#)

Sierra has enhanced a segment of the MatchKing line by adding the acetal resin tip, thus crowning the Tipped MatchKing (TMK) bullet line. The major advantage of adding a tip to the bullet is the reduction of drag, producing a more favorable ballistic coefficient. Another benefit is reliable feeding in magazine fed firearms. Although the MatchKing line is recognized around the world for record setting accuracy, like their untipped counterparts, Tipped MatchKing (TMK) bullets are not recommended for hunting anything larger than varmints. Having heavier jackets than our Hornet or Blitz line of bullets, these bullets will not provide the same explosive expansion on small varmints.

### Attributes

- Name: [SIERRA BULLETS TIPPED MATCHKING 30 CALIBER \(0.308"\) 155GR PTBT 100/BOX](#)
- Manufacturer: [SIERRA BULLETS](#)
- Product no.: 749016107
- Mfr. No.: 7755
- Ballistic Coefficient (G1): 0.519
- Brand Style: Tipped MatchKing
- Bullet Style: Tipped MatchKing (TMK)
- Caliber: 30 Caliber
- Diameter (in): 0.308
- Grain: 155
- Sectional Density: 0.233
- Quantity: 100
- Delivery weight: 0.998kg
- UPC: 092763077559

### Item details

Made in USA

US export classification: 0A505.x

# Safety Instruction Guide for 30 Caliber Tipped MatchKing Bullets

## Introduction

Thank you for choosing the 30 Caliber Tipped MatchKing Bullets by Sierra Bullets. This guide provides essential safety instructions and guidelines for the safe use, installation, and disposal of these bullets. Please read this guide carefully to ensure safe handling and compliance with the EU General Product Safety Regulation (GPSR).

## General Safety Guidelines

- Ensure the product is stored in a cool, dry place away from direct sunlight and moisture.
- Keep the bullets out of reach of children and unauthorized users.
- Always handle bullets with care and follow standard firearm safety practices.
- Report any unsafe products or accidents to the appropriate authorities.
- Regularly check for recall updates on the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- Only use these bullets in firearms that are specifically designed for .30 caliber ammunition.
- Do not use Tipped MatchKing bullets for hunting larger game, as they are not intended for such use.
- Avoid using these bullets in firearms that do not have a magazine feeding system, as this may lead to feeding issues.
- Be aware that while these bullets have enhanced accuracy, they may not provide explosive expansion on small varmints due to their construction.
- Always wear appropriate eye and ear protection when shooting.

## Instructions for Installation and Usage

### 1. Preparation:

- Ensure that your firearm is unloaded and pointed in a safe direction.
- Gather necessary equipment, including the bullets, a reloading press (if applicable), and safety gear.

### 2. Loading the Bullets:

- Carefully insert the Tipped MatchKing bullet into the cartridge case, ensuring it is seated properly.
- Follow the manufacturer's specifications for seating depth and crimping if reloading.

### 3. Firing:

- Load the completed cartridges into the magazine of your firearm.
- Ensure the firearm is in a safe condition before firing.
- Aim at a designated shooting range or safe area and fire according to standard safety practices.

### 4. PostFiring:

- After shooting, inspect the firearm and ammunition for any damage or malfunctions.
- Store any unused bullets in their original packaging and keep them in a secure location.

## Disposal Instructions

- Dispose of any unused or damaged bullets according to local regulations for hazardous materials.
- Do not throw bullets in regular trash or recycling bins.
- Contact local waste management authorities for proper disposal methods.

## Contact Information for Further Support

For any safety inquiries or concerns regarding the 30 Caliber Tipped MatchKing Bullets, please reach out to your local retailer or the manufacturer directly. It is important to ensure that you have access to the correct information and support.

By following these safety instructions and guidelines, you can help ensure a safe and enjoyable experience with your 30 Caliber Tipped MatchKing Bullets. Always prioritize safety and responsible usage when handling ammunition.
