

# FULL LENGTH SIZER DIES - WHIDDEN GUNWORKS 6.5MM CREEDMOOR FULL LENGTH DIE

[Reloading](#) > [Reloading Dies](#) > [Rifle Dies](#)

Whiddens' hand-polished sizer dies have a shorter overall length for better shoulder bump back, a smaller base and tighter internal tolerances. All of their sizer dies include a shoulder datum collar to measure shoulder bump and headspace. The sizing dies also include a pin retainer should you chose to use the sizer without the expander. Wide knurling on the die make small adjustments simple while the 6-32 machine screw on the lock ring secures the die once the final adjustment is made.

## Specific Safety Precautions for Use

- **Hazard Identification:**
  - The sizer die may have sharp edges; handle with care to avoid cuts.
  - Improper use can lead to misfires or unsafe ammunition; ensure proper techniques are followed.
- **Avoiding Hazards:**
  - Always ensure the die is securely attached to the press before use.
  - Do not exceed the recommended load specifications.
  - Never look directly into the die or the press while in operation.
  - Keep hands and other body parts clear of moving parts when in use.
- **AgeRelated Warnings:**
  - This product is intended for use by individuals aged 18 and older. Keep it away from children.

## Instructions for Installation and Usage

- **Installation:**
  1. Ensure that your reloading press is securely mounted and stable.
  2. Remove the lock ring from the die and insert the die into the press.
  3. Adjust the die to the desired position, utilizing the shoulder datum collar for accurate measurements.
  4. Tighten the lock ring using the 632 machine screw to secure the die in place.
- **Usage:**
  1. Before starting, ensure that you have all necessary components and safety equipment.
  2. Insert the cartridge case into the press and engage the handle to resize the case.
  3. Monitor the process closely to ensure proper sizing and avoid any jams or misfires.

4. If using without the expander, ensure the pin retainer is properly installed.
5. After use, clean the die to maintain its performance and longevity.

## **Disposal Instructions**

- Dispose of any packaging materials in accordance with local regulations.
- If the product reaches the end of its life cycle, dispose of it responsibly. Contact your local waste management for guidance on proper disposal methods.
- Do not dispose of the die in regular household waste; check for recycling options.

## **Contact Information for Further Support**
