

# FULL LENGTH SIZER AND SEATER DIES SETS - WHIDDEN GUNWORKS 6MM SLR FULL LENGTH DIE SET

[Reloading](#) > [Reloading Dies](#) > [Rifle Dies](#)

Whiddens' hand-polished bushing sizer dies have a shorter overall length for better shoulder bump back, a smaller base and tighter internal tolerances. All of the sizer dies include a shoulder datum collar to measure shoulder bump and headspace. The sizing dies also include a pin retainer should you chose to use the sizer without the expander. Wide knurling on the die make small adjustments simple while the 6-32 machine screw on the lock ring secures the die once the final adjustment is made. The Full Length Bushing die does not include the required bushing. The sizer will accept Redding or L.E. Wilson bushings.

## Attributes

- Name: [WHIDDEN GUNWORKS 6MM SLR FULL LENGTH DIE SET](#)
- Manufacturer: [WHIDDEN GUNWORKS](#)
- Product no.: 749016169
- Mfr. No.: SET-S-N-006SLR-000

# **Safety Instruction Guide for FULL LENGTH SIZER AND SEATER DIES SET WHIDDEN GUNWORKS 6MM SLR FULL LENGTH DIE SET**

## **Introduction**

Thank you for choosing the Whidden Gunworks Full Length Sizer and Seater Dies Set. This guide provides essential safety instructions and operational guidelines to ensure the safe and effective use of this product. Please read this guide thoroughly before use.

## **General Safety Guidelines**

- Always follow the manufacturer's instructions when using the product.
- Ensure that the workspace is clean, dry, and welllit.
- Keep the product out of reach of children and vulnerable individuals.
- Use personal protective equipment (PPE) such as safety glasses and gloves when handling the dies.
- Regularly inspect the dies for any signs of wear or damage before use.
- Do not modify the dies or use them for purposes other than intended.
- Report any unsafe conditions or accidents to local authorities.

## **Specific Safety Precautions for Use**

- Ensure that the die is securely mounted in the reloading press before use.
- Do not exceed the recommended load specifications for the cartridge being reloaded.
- Use only compatible bushings with the sizer die.
- Be cautious of sharp edges and points when handling the dies.
- Always be aware of your surroundings and ensure that no one is in the immediate vicinity when operating the dies.

## **Instructions for Installation and Usage**

### **1. Installation:**

- Ensure that the reloading press is powered off and unplugged before installation.
- Carefully remove the die from its packaging.
- Install the die into the reloading press by threading it into the die holder until secure.
- Adjust the die height according to the manufacturer's recommendations.

### **2. Usage:**

- Measure the shoulder bump and headspace using the included shoulder datum collar.
- If using the die without the expander, ensure the pin retainer is properly installed.
- Make small adjustments to the die using the wide knurling for precise sizing.
- Secure the die in place using the 632 machine screw on the lock ring once the final adjustment is made.
- Always follow the reloading guidelines for the specific cartridge being used.

## **Disposal Instructions**

- Dispose of any damaged or worn dies in accordance with local regulations.
- Do not dispose of the product in regular household waste.
- Contact local waste management authorities for proper disposal methods.

## **Contact Information for Further Support**

For any questions or concerns regarding the safety or operation of this product, please consult the manufacturer's website or customer service resources.

By adhering to these safety guidelines and instructions, you can ensure a safe and effective reloading experience with the Whidden Gunworks Full Length Sizer and Seater Dies Set. Thank you for your commitment to safety.
