

BUSHING FULL LENGTH SIZER AND SEATER DIE SETS - WHIDDEN GUNWORKS 260 REMINGTON BUSHING FULL LENGTH DIE SET

[Reloading](#) > [Reloading Dies](#) > [Rifle Dies](#)

Whiddens' hand polished Bushing Full Length Sizer and Seater Sets come in most standard calibers . The Full Length Sizer Die has a shorter overall length for better shoulder bump-back, a smaller base and tighter internal tolerances. The Seater Die comes with a micrometer top for precise adjustments. These dies are designed with a floating sleeve system which helps to improve concentricity- a must for repeatable precision. No bushing is included with the set. The sizer will accept Redding or L.E. Wilson bushings.

Attributes

- Name: [WHIDDEN GUNWORKS 260 REMINGTON BUSHING FULL LENGTH DIE SET](#)

Safety Instruction Guide for Bushing Full Length Sizer and Seater Die Sets

Introduction

Thank you for choosing the Whidden Gunworks Bushing Full Length Sizer and Seater Die Sets for your reloading needs. This guide provides important safety instructions and guidelines to ensure the safe use of this product. Please read this document carefully before use to understand all safety precautions and operational instructions.

General Safety Guidelines

- Ensure that you are familiar with the operation of reloading equipment before using this product.
- Always wear appropriate personal protective equipment, such as safety glasses and gloves, when using reloading dies.
- Keep the work area clean and organized to minimize the risk of accidents.
- Store the dies in a secure location, out of reach of children and unauthorized users.
- Regularly inspect the dies for any signs of wear or damage before each use.
- Use only compatible bushings with the Bushing Full Length Sizer Die. This die accepts Redding or L.E. Wilson bushings.
- Always follow the manufacturer's instructions for loading and handling ammunition.

Specific Safety Precautions for Use

- **Hazard Identification:** The use of reloading dies can pose risks such as accidental discharge, exposure to lead, and mechanical injuries.
- **Avoiding Hazards:**
 - Always keep fingers and hands clear of moving parts during operation.
 - Do not attempt to modify the dies or use them for any purpose other than intended.
 - Ensure that the dies are securely mounted to the reloading press before use.
 - Do not exceed recommended load specifications for the cartridge being reloaded.
- **Age Specific Warnings:**
 - This product is intended for use by adults only. Keep out of reach of children.
 - Ensure that inexperienced users are supervised by an experienced reloader when using this product.

Instructions for Installation and Usage

1. Installation:

- Securely mount the Bushing Full Length Sizer Die onto your reloading press according to the press manufacturer's instructions.
- Ensure that the die is tightened properly to prevent movement during operation.

2. Using the Sizer Die:

- Select the appropriate bushing compatible with your cartridge and install it into the sizer die.
- Adjust the die to achieve the desired shoulder bumpback.
- Insert the case into the shell holder and operate the press to resize the case.

3. Using the Seater Die:

- Place the bullet into the case mouth and position the case in the shell holder.
- Adjust the micrometer top of the seater die for precise bullet seating depth.
- Operate the press to seat the bullet correctly.

4. PostUse Care:

- Clean the dies after use to remove any residue and prevent corrosion.
- Store the dies in a protective case to maintain their condition.

Disposal Instructions

- Dispose of any unused or damaged reloading components in accordance with local regulations.
- Do not dispose of lead or other hazardous materials in regular household waste. Check with local waste management authorities for proper disposal methods.

Contact Information for Further Support

For further assistance or inquiries regarding safety and usage, please refer to the manufacturer's contact information provided with the product packaging or visit the manufacturer's website.

By following these safety guidelines and instructions, you can ensure a safe reloading experience with the Whidden Gunworks Bushing Full Length Sizer and Seater Die Sets. Always prioritize safety and adhere to best practices when handling reloading equipment.
