

BUSHING FULL LENGTH SIZER AND SEATER DIE SETS - WHIDDEN GUNWORKS 6.5X47MM LAPUA BUSHING FULL LENGTH SIZER & SEATER SET

[Reloading](#) > [Reloading Dies](#) > [Rifle Dies](#)

Whiddens' hand polished Bushing Full Length Sizer and Seater Sets come in most standard calibers . The Full Length Sizer Die has a shorter overall length for better shoulder bump-back, a smaller base and tighter internal tolerances. The Seater Die comes with a micrometer top for precise adjustments. These dies are designed with a floating sleeve system which helps to improve concentricity- a must for repeatable precision. No bushing is included with the set. The sizer will accept Redding or L.E. Wilson bushings.

Attributes

- Name: [WHIDDEN GUNWORKS 6.5X47MM LAPUA BUSHING FULL LENGTH SIZER & SEATER SET](#)
- Manufacturer: [WHIDDEN GUNWORKS](#)

Safety Instruction Guide for Bushing Full Length Sizer and Seater Die Sets

Introduction

Thank you for choosing the Bushing Full Length Sizer and Seater Die Sets from Whidden Gunworks. This guide provides essential safety information and instructions to ensure the safe and effective use of this product. Please read this guide carefully before use.

General Safety Guidelines

- Always follow the manufacturer's instructions for safe use.
- Ensure that the workspace is clean and organized to prevent accidents.
- Keep the product out of reach of children and unauthorized users.
- Inspect the product before use for any signs of damage or wear.
- Use personal protective equipment (PPE) such as safety glasses and gloves when operating the die sets.
- Report any unsafe products or accidents to the appropriate authorities.
- Check for recall updates on the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Read all instructions and warnings before using the die sets.
- Use only compatible bushings as specified by the manufacturer (Redding or L.E. Wilson).
- Ensure that the die is securely mounted in the reloading press before operation.
- Do not exceed the recommended working pressures or limits.
- Avoid wearing loose clothing or jewelry that may get caught in machinery.
- Always keep hands clear of moving parts during operation.
- Do not attempt to modify or alter the die sets in any way.
- If you experience any issues during use, stop immediately and consult the manufacturer.

Instructions for Installation and Usage

1. Installation:

- Unpack the die set and check for completeness.
- Clean the die and press before installation to remove any debris.
- Securely mount the Full Length Sizer Die into the reloading press, ensuring it is tightened according to the press manufacturer's specifications.
- Install the Seater Die in the same manner, ensuring it is also securely tightened.

2. Usage:

- Adjust the Full Length Sizer Die to the desired setting, ensuring proper shoulder bumpback.
- Insert the appropriate bushing into the die.
- Place the cartridge case into the press and operate the handle to resize the case.
- For seating, place the bullet in the cartridge case and adjust the Seater Die using the micrometer top for precise seating depth.
- Inspect each cartridge after resizing and seating to ensure they meet specifications.

Disposal Instructions

- Dispose of any damaged or wornout die sets in accordance with local regulations.
- Do not dispose of the product in regular household waste. Check for recycling options or hazardous waste

disposal facilities in your area.

Contact Information for Further Support

For any inquiries regarding product safety, usage, or support, please refer to the manufacturer's contact details provided on the product packaging or their official website.

Thank you for your attention to these safety instructions. Your safety and satisfaction are our top priorities.
