

A-FRAME HEAVY RIFLE BULLETS - SWIFT BULLET 375 CALIBER (0.375") 270GR SEMI-SPITZER 50/BOX

[Reloading](#) > [Bullets](#) > [Rifle Bullets](#)

Heavy rifle A-Frame bullets are for use on dangerous game. The bullet initiates expansion at 1650 feet per second on the low end and stays together at 3000+ feet per second on the high end. Controlled expansion of 2x its original caliber and 95%+ weight retention make the A-Frame® bullet superior in downrange energy and stopping power. Terminal performance is unequalled.

AFRAME HEAVY RIFLE BULLETS SWIFT BULLET 375 CALIBER SAFETY INSTRUCTIONS

Introduction

Thank you for choosing the AFrame Heavy Rifle Bullets by Swift Bullet. These bullets are designed for use on dangerous game and offer superior downrange energy and stopping power. This safety instruction guide is designed to help you use this product safely and effectively in compliance with the EU General Product Safety Regulation (GPSR).

General Safety Guidelines

- Ensure that you are familiar with local laws and regulations regarding the use of rifle bullets.
- Always handle ammunition with care and store it in a safe location, out of reach of children and unauthorized individuals.
- Use only in firearms that are specifically designed for the caliber of this bullet (0.375").
- Always wear appropriate safety gear, including eye and ear protection, when handling or using firearms.
- Regularly inspect your firearms and ammunition for signs of damage or wear before use.
- Report any unsafe products or accidents to the appropriate authorities.

Specific Safety Precautions for Use

- Do not exceed the recommended velocity of 3000 feet per second to ensure controlled expansion and weight retention.
- Avoid using these bullets in firearms that are not rated for 375 caliber ammunition.
- Be aware of your surroundings and ensure a safe shooting environment before discharging your firearm.
- Always keep the firearm pointed in a safe direction, even when loading or unloading.
- Do not consume alcohol or drugs before or during the use of firearms.
- Ensure that you have a clear line of sight to your target and that there are no obstacles or bystanders in the vicinity.

Instructions for Installation and Usage

1. Loading the Bullets:

- Confirm that the firearm is unloaded before loading ammunition.
- Follow the manufacturer's instructions for your specific firearm when loading the bullets.
- Ensure that the bullets are seated properly in the cartridge case.

2. Using the Bullets:

- Always check your firearm to ensure it is in good working condition before use.
- Load the firearm with the AFrame Heavy Rifle Bullets as per the manufacturer's instructions.
- Aim at your intended target and ensure a safe backdrop.
- Discharge the firearm only when you are ready and it is safe to do so.

3. PostUse Procedures:

- After use, unload the firearm in a safe manner.
- Store any remaining ammunition in a secure location.
- Clean your firearm according to the manufacturer's recommendations to maintain optimal performance.

Disposal Instructions

- Dispose of any unused or damaged ammunition in accordance with local regulations.
- Do not throw ammunition in the trash or dispose of it in a manner that could pose a risk to others.
- Contact your local waste management authority for guidance on proper disposal methods.

Contact Information for Further Support

For any inquiries or concerns regarding the AFrame Heavy Rifle Bullets, please refer to the contact information provided by your retailer or manufacturer. It is essential to have an EUbased contact for safety inquiries.

By following these safety instructions, you can ensure a safer experience when using the AFrame Heavy Rifle Bullets. Always prioritize safety and responsible usage.
