

A-FRAME HEAVY RIFLE BULLETS - SWIFT BULLET 40 CALIBER (0.410") 350GR SEMI-SPITZER 50/BOX

[Reloading](#) > [Bullets](#) > [Rifle Bullets](#)

Heavy rifle A-Frame bullets are for use on dangerous game. The bullet initiates expansion at 1650 feet per second on the low end and stays together at 3000+ feet per second on the high end. Controlled expansion of 2x its original caliber and 95%+ weight retention make the A-Frame® bullet superior in downrange energy and stopping power. Terminal performance is unequaled.

AFRAME HEAVY RIFLE BULLETS SWIFT BULLET 40 CALIBER Safety Instruction Guide

Introduction

Thank you for choosing the AFrame Heavy Rifle Bullets Swift Bullet 40 Caliber. This guide provides essential safety instructions to ensure the safe use of this product. Please read and follow all instructions carefully to minimize risks and ensure optimal performance.

General Safety Guidelines

- Ensure that you are legally permitted to purchase and use rifle bullets in your jurisdiction.
- Always store ammunition in a cool, dry place, away from direct sunlight and moisture.
- Keep ammunition out of reach of children and unauthorized persons.
- Use only in firearms that are designed for 40 caliber ammunition.
- Regularly inspect your firearm for any signs of wear or damage before use.
- Always wear appropriate eye and ear protection when firing.

Specific Safety Precautions for Use

- **Potential Hazards:**
 - Risk of accidental discharge if mishandled.
 - Risk of injury from misfires or defective ammunition.
 - Environmental hazards from improper disposal.
- **Avoiding Hazards:**
 - Treat every firearm as if it is loaded.
 - Do not point the firearm at anything you do not intend to shoot.
 - Follow the manufacturer's instructions for your firearm regarding the use of ammunition.
 - Do not use damaged or deformed bullets.
 - Do not attempt to modify or disassemble the ammunition.

Instructions for Installation and Usage

- **Installation:**
 - Ensure that your firearm is unloaded before installing ammunition.
 - Load the bullets into the magazine or chamber according to the firearm manufacturer's instructions.
- **Usage:**
 - Always check your surroundings before firing to ensure the area is clear of people and obstructions.
 - Maintain a firm grip on the firearm and stabilize your stance.
 - Aim carefully and fire only when you are ready.
 - If a bullet does not fire, wait 30 seconds before attempting to remove the cartridge, as it may be a misfire.

Disposal Instructions

- Dispose of any unused or expired ammunition in accordance with local regulations.
- Do not throw away ammunition in regular trash.
- Contact local law enforcement or a licensed disposal facility for guidance on safe disposal methods.

Contact Information for Further Support

For safety inquiries, please refer to your local authorities or the manufacturer's website for further assistance and information.

By following these guidelines, you can ensure a safe and enjoyable experience with the AFRAME Heavy Rifle Bullets Swift Bullet 40 Caliber. Thank you for prioritizing safety.
