

A-FRAME HEAVY RIFLE BULLETS - SWIFT BULLET 50 CALIBER (0.509") 570GR ROUND NOSE 50/BOX

[Reloading](#) > [Bullets](#) > [Rifle Bullets](#)

Heavy rifle A-Frame bullets are for use on dangerous game. The bullet initiates expansion at 1650 feet per second on the low end and stays together at 3000+ feet per second on the high end. Controlled expansion of 2x its original caliber and 95%+ weight retention make the A-Frame® bullet superior in downrange energy and stopping power. Terminal performance is unequalled.

AFRAME HEAVY RIFLE BULLETS SWIFT BULLET 50 CALIBER (0.509") 570GR ROUND NOSE 50/BOX

Safety Instructions

Introduction

Thank you for purchasing the AFrame Heavy Rifle Bullets Swift Bullet 50 Caliber (0.509") 570GR Round Nose. This guide provides important safety information and instructions for the safe use of this product. Please read this manual thoroughly to ensure safe handling and usage.

General Safety Guidelines

- Always treat firearms and ammunition as if they are loaded and ready to fire.
- Store ammunition in a cool, dry place away from direct sunlight and moisture.
- Keep ammunition out of reach of children and unauthorized users.
- Use only in firearms that are designed for the specified caliber (50 Caliber).
- Be aware of your surroundings when using ammunition to avoid accidents.
- Follow all local laws and regulations regarding the use and storage of ammunition.
- Regularly inspect ammunition for signs of damage or corrosion before use.

Specific Safety Precautions for Use

- Ensure that the firearm is in good working condition and is properly maintained.
- Always wear appropriate eye and ear protection when using firearms.
- Do not exceed the manufacturer's recommended loads for your firearm.
- Be cautious of potential ricochet when firing in areas with hard surfaces.
- Avoid using ammunition that appears damaged or has been stored improperly.
- If a round does not fire, wait at least 30 seconds before attempting to remove it from the chamber.

Instructions for Installation and Usage

- Before loading, ensure that the firearm is pointed in a safe direction.
- Open the ammunition box carefully to prevent the bullets from falling out.
- Load ammunition according to the firearm's manufacturer instructions:
 - Open the action of the firearm.
 - Insert the bullets into the magazine or chamber as specified.
 - Close the action securely.
- To fire, follow these steps:
 - Ensure the firearm is aimed safely at the target.
 - Engage the safety mechanism (if applicable).
 - Take a firm grip on the firearm and pull the trigger smoothly.
- After use, unload the firearm in a safe manner:
 - Open the action to eject any remaining rounds.
 - Visually and physically inspect the chamber to ensure it is clear.

Disposal Instructions

- Dispose of any unused or damaged ammunition in accordance with local regulations.
- Do not throw ammunition in regular trash; contact local waste management authorities for guidance.
- Store unwanted ammunition securely until it can be disposed of properly.

Contact Information for Further Support

For any questions or concerns regarding the safety or usage of the AFrame Heavy Rifle Bullets, please contact the manufacturer directly. Ensure that you have the product information and any relevant details ready for assistance.

Conclusion

Following these safety instructions will help ensure a safe and enjoyable experience with your AFrame Heavy Rifle Bullets. Always prioritize safety and responsibility when handling firearms and ammunition. Thank you for your attention to these important guidelines.
