# **AFRAME REVOLVER BULLETS SWIFT BULLET 50 CAL (.499") 325GR HOLLOW POINT 50/BOX Safety Instructions**

## **Introduction**

Thank you for choosing the AFrame Revolver Bullets by Swift Bullet. These highquality bullets are designed for use in muzzle loaders and heavy revolvers. This safety instruction guide provides essential information to ensure safe handling and usage of this product in compliance with the EU General Product Safety Regulation (GPSR).

## **General Safety Guidelines**

- Always treat all ammunition as if it is live and capable of causing harm.
- Store ammunition in a cool, dry place away from direct sunlight and moisture.
- Keep ammunition out of reach of children and unauthorized users.
- Use appropriate personal protective equipment (PPE) when handling ammunition, including safety glasses and hearing protection.
- Always follow local laws and regulations regarding the purchase, storage, and use of ammunition.
- Regularly check for product recalls and safety updates through the EU's Safety Gate platform.
- Report any unsafe products or incidents to the relevant authorities.

## **Specific Safety Precautions for Use**

- Ensure that your firearm is compatible with .50 caliber ammunition before use.
- Do not exceed the manufacturer's recommended load specifications.
- Inspect each bullet for defects or damage before loading.
- Never point a firearm at anything you do not intend to shoot.
- Always keep your finger off the trigger until you are ready to shoot.
- Use only in designated areas that are safe for shooting.
- Be aware of your surroundings and ensure that there is a safe backstop to prevent ricochet.
- Avoid using these bullets in firearms that are not specifically designed for their use.

## **Instructions for Installation and Usage**

### **1. Preparation:**

- Ensure that the firearm is unloaded and pointed in a safe direction.
- Gather all necessary equipment, including the firearm, ammunition, and PPE.

### **2. Loading the Firearm:**

- Open the action of the firearm and ensure it is clear.
- Insert the AFrame Revolver Bullet into the chamber according to the manufacturer's instructions.
- Close the action of the firearm securely.

### **3. Firing the Ammunition:**

- Ensure that you are in a safe shooting position.
- Aim at the target and ensure the area is clear of obstructions and bystanders.
- Squeeze the trigger gently to fire the round.

#### **4. PostFiring:**

- After firing, keep the firearm pointed downrange until you are certain it is safe to check the results.
- If a bullet fails to fire, wait at least 30 seconds before attempting to unload the firearm.
- Follow the manufacturer's instructions for cleaning and maintaining your firearm after use.

## **Disposal Instructions**

- Dispose of any unused or damaged ammunition in accordance with local regulations.
- Contact your local waste management authority for guidance on safe disposal methods.
- Never throw ammunition in regular trash or recycling.

## **Contact Information for Further Support**

For any questions or concerns regarding the AFrame Revolver Bullets or safety instructions, please refer to the manufacturer's contact information provided with your product packaging or visit the manufacturer's website for more resources.

Thank you for your attention to these safety guidelines. Your safety and the safety of those around you is of utmost importance. Always prioritize safety when handling ammunition.
