

A-FRAME LEVER ACTION RIFLE BULLETS - SWIFT BULLET 30 CALIBER (0.308") 150GR SEMI-SPITZER 50/BOX

[Reloading](#) > [Bullets](#) > [Rifle Bullets](#)

In 2012, Swift will introduce its new "Lever Action Series." These new bullets are a re-configured A-Frame design. This new design allows the bullet to open up at very low velocities, which is critical in these slow moving cartridges. On the high end of the velocity scale the bullet functions well up to approximately 2700 fps. For deer size animals to dangerous game, these new A-Frame bullets offer maximum performance from your lever action rifle never before achievable.

Attributes

- Name: [SWIFT BULLET 30 CALIBER \(0.308"\) 150GR SEMI-SPITZER 50/BOX](#)
- Manufacturer: [SWIFT BULLET](#)

Safety Instruction Guide for AFRAME LEVER ACTION RIFLE BULLETS SWIFT BULLET 30 CALIBER (0.308") 150GR SEMISPITZER 50/BOX

Introduction

Thank you for choosing the AFrame Lever Action Rifle Bullets by Swift Bullet. This guide provides important safety information and instructions to ensure the safe use of this product. Please read this guide carefully before using the bullets.

General Safety Guidelines

- Ensure that all users of this product are trained in the safe handling and operation of firearms.
- Always handle bullets and firearms with care, following all applicable laws and regulations.
- Store bullets in a secure location, out of reach of children and unauthorized individuals.
- Regularly check for recalls and safety updates related to this product on the EU's Safety Gate platform.
- Report any unsafe products, incidents, or accidents to the relevant authorities.

Specific Safety Precautions for Use

- Always wear appropriate eye and ear protection when using firearms.
- Confirm that the rifle is compatible with 30 caliber bullets before use.
- Inspect the bullets for any visible defects or damage before loading them into the firearm.
- Do not exceed the recommended velocity of approximately 2700 fps to ensure safe operation.
- Avoid using this product in any manner that is not consistent with its intended use.
- Be aware of your surroundings and ensure a safe shooting environment.

Instructions for Installation and Usage

• Loading the Bullets:

1. Ensure the firearm is pointed in a safe direction and is unloaded before loading bullets.
2. Open the action of the rifle and insert the bullets into the magazine according to the manufacturer's instructions.
3. Close the action and ensure it is securely locked before handling the firearm.

• Firing the Bullets:

1. Always check that the firearm is aimed at a safe target.
2. Ensure that the area is clear of people and animals before firing.
3. Follow the specific firing procedures outlined in the firearm's manual.

• PostUse:

1. After use, clean the firearm according to the manufacturer's instructions.
2. Store the bullets in a cool, dry place away from direct sunlight.
3. Dispose of any unused or damaged bullets in accordance with local regulations.

Disposal Instructions

- Dispose of bullets in accordance with local laws and regulations.
- Do not discard bullets in regular household waste.

- Contact local authorities or waste management facilities for guidance on proper disposal methods.

Contact Information for Further Support

For any questions or concerns regarding the AFRAME LEVER ACTION RIFLE BULLETS, please refer to the manufacturer's contact information provided on the packaging or visit their official website.

By following these safety guidelines and instructions, you can help ensure a safe and enjoyable experience with your AFRAME LEVER ACTION RIFLE BULLETS. Thank you for prioritizing safety.
