

A-FRAME LEVER ACTION RIFLE BULLETS - SWIFT BULLET 30 CALIBER (0.308") 170GR SEMI-SPITZER 50/BOX

[Reloading](#) > [Bullets](#) > [Rifle Bullets](#)

In 2012, Swift will introduce its new "Lever Action Series." These new bullets are a re-configured A-Frame design. This new design allows the bullet to open up at very low velocities, which is critical in these slow moving cartridges. On the high end of the velocity scale the bullet functions well up to approximately 2700 fps. For deer size animals to dangerous game, these new A-Frame bullets offer maximum performance from your lever action rifle never before achievable.

Attributes

- Name: [SWIFT BULLET 30 CALIBER \(0.308"\) 170GR SEMI-SPITZER 50/BOX](#)
- Manufacturer: [SWIFT BULLET](#)

Safety Instruction Guide for AFRAME LEVER ACTION RIFLE BULLETS SWIFT BULLET 30 CALIBER (0.308") 170GR SEMISPITZER 50/BOX

Introduction

Thank you for choosing the AFrame Lever Action Rifle Bullets. These bullets are designed for maximum performance in lever action rifles, enabling safe and effective hunting. This safety instruction guide provides essential information to ensure safe use and compliance with the EU General Product Safety Regulation (GPSR).

General Safety Guidelines

- Always treat all firearms and ammunition as if they are loaded.
- Keep ammunition out of reach of children and unauthorized individuals.
- Store ammunition in a cool, dry place away from direct sunlight and moisture.
- Use only in firearms that are chambered for the specific caliber.
- Always wear appropriate eye and ear protection when using firearms.
- Follow all local laws and regulations regarding the use of firearms and ammunition.
- Report any unsafe products or accidents to the appropriate authorities.

Specific Safety Precautions for Use

- Ensure that the bullet is compatible with your lever action rifle.
- Check for any visible damage to the bullet before use.
- Do not use damaged or deformed bullets.
- Avoid using these bullets in firearms that are not designed for lever action.
- Be aware of your surroundings and ensure a clear and safe shooting area.
- Always follow the manufacturer's instructions for your specific firearm.
- Use appropriate cleaning and maintenance procedures for your firearm to ensure safe operation.

Instructions for Installation and Usage

1. Preparation

- Ensure your firearm is unloaded before handling bullets.
- Read and understand your firearm's manual.

2. Loading the Bullets

- Open the ammunition box carefully.
- Inspect each bullet for any defects before loading.
- Load the bullets into the magazine of your lever action rifle according to the manufacturer's instructions.

3. Firing the Bullets

- Always ensure the firearm is pointed in a safe direction.
- Be aware of your target and what lies beyond it.
- Once ready, engage the safety mechanism of your firearm until you are prepared to shoot.
- Fire the bullet while maintaining a firm grip and proper stance.

4. PostFiring

- After firing, ensure the firearm is unloaded before handling.
- Clean your firearm according to the manufacturer's recommendations.

Disposal Instructions

- Dispose of any unused or damaged bullets in accordance with local regulations.
- Do not throw bullets in regular trash. Instead, consult local hazardous waste disposal guidelines.
- If you are unsure about disposal methods, contact local authorities for advice.

Contact Information for Further Support

For any questions or concerns regarding the AFRAME LEVER ACTION RIFLE BULLETS, please refer to the manufacturer's website or contact their customer service for assistance. Ensure that you have the product details ready for more efficient support.

By following these safety guidelines and precautions, you can ensure a safe and enjoyable experience with your AFRAME LEVER ACTION RIFLE BULLETS. Thank you for prioritizing safety while using our products.
