# AFRAME MUZZLE LOADER BULLETS SWIFT BULLET 50 CAL (.429") 300GR HOLLOW POINT 10/BOX Safety Instruction Guide

## Introduction

Thank you for choosing the AFrame Muzzle Loader Bullets by Swift Bullet. These highperformance bullets are designed for use in muzzle loaders and heavy revolvers. To ensure safe and effective usage, please read and follow the safety guidelines outlined in this document. This guide complies with the EU General Product Safety Regulation (GPSR) to protect consumers and promote safe practices.

## General Safety Guidelines

- Always treat all firearms and ammunition as if they are loaded.
- Store bullets and ammunition in a safe, secure location away from children and unauthorized users.
- Use appropriate personal protective equipment (PPE), such as eye and ear protection, when handling or using firearms.
- Ensure that you are familiar with the laws and regulations regarding the use of firearms and ammunition in your area.
- Regularly inspect your firearm to ensure it is in proper working condition before use.
- Do not exceed the manufacturer's recommended load specifications for your firearm.
- Report any unsafe products or incidents to the appropriate authorities.

## Specific Safety Precautions for Use

- Only use AFrame Muzzle Loader Bullets in firearms specifically designed for .50 caliber ammunition.
- Maintain a safe distance from others when shooting.
- Ensure that the shooting area is clear of obstructions and that you have a proper backstop.
- Do not use damaged or deformed bullets.
- Avoid using bullets that have been exposed to moisture or extreme temperatures.
- Be aware of the potential for ricochet when shooting in areas with hard surfaces.
- Never point a firearm at anything you do not intend to shoot.

## Instructions for Installation and Usage

### 1. Preparation:

- Read the instruction manual for your firearm thoroughly before use.
- Verify that the firearm is unloaded before inserting the bullets.

### 2. Loading the Bullets:

- Use only the recommended AFrame Muzzle Loader Bullets for your specific firearm.
- Follow the manufacturer's instructions for loading the bullets into the muzzleloader or revolver.
- Ensure that the bullet is seated properly in the chamber.

### 3. Shooting:

- Position yourself in a stable stance with a firm grip on the firearm.
- Aim carefully at your target and ensure that the area is safe for shooting.
- Pull the trigger smoothly while maintaining your aim.

#### 4. PostShooting:

- After shooting, always check that the firearm is unloaded before handling it.
- Clean your firearm according to the manufacturer's recommendations to ensure optimal performance and safety.

## Disposal Instructions

- Dispose of any unused or expired bullets in accordance with local regulations.
- Do not throw bullets in regular trash. Check for local hazardous waste disposal programs.
- Contact local authorities or waste disposal facilities for guidance on safe disposal methods.

## Contact Information for Further Support

For any inquiries regarding safety or product information, please refer to the appropriate EU contact points or safety authorities in your area. It is essential to stay informed about any potential recalls or safety updates through the EU's Safety Gate platform.

By following these guidelines, you contribute to a safer environment for yourself and others when using AFrame Muzzle Loader Bullets. Thank you for prioritizing safety!
