

6.5MM CALIBER TIPPED MATCHKING BULLETS - SIERRA BULLETS TIPPED MATCHKING 6.5MM (0.264") 130GR POLYMER TIP 100/BOX

[Reloading](#) > [Bullets](#) > [Rifle Bullets](#)

Sierra has enhanced a segment of the MatchKing line by adding the acetal resin tip, thus crowning the Tipped MatchKing (TMK) bullet line. The major advantage of adding a tip to the bullet is the reduction of drag, producing a more favorable ballistic coefficient. Another benefit is reliable feeding in magazine fed firearms. Although the MatchKing line is recognized around the world for record setting accuracy, like their untipped counterparts, Tipped MatchKing (TMK) bullets are not recommended for hunting anything larger than varmints. Having heavier jackets than our Hornet or Blitz line of bullets, these bullets will not provide the same explosive expansion on small varmints

Attributes

- Name: [SIERRA BULLETS TIPPED MATCHKING 6.5MM \(0.264"\) 130GR POLYMER TIP 100/BOX](#)
- Manufacturer: [SIERRA BULLETS](#)
- Product no.: 749016302
- Mfr. No.: 7430
- Ballistic Coefficient (G1): 0.518

Safety Instruction Guide for 6.5MM Caliber Tipped MatchKing Bullets

Introduction

Thank you for choosing the 6.5MM Caliber Tipped MatchKing Bullets by Sierra Bullets. This guide provides important safety information and instructions to ensure the safe handling and use of this product. Please read this guide carefully before using the bullets.

General Safety Guidelines

- Ensure the product is stored in a cool, dry place away from direct sunlight.
- Always keep ammunition out of reach of children and unauthorized users.
- Use only in firearms that are specifically designed for 6.5MM caliber ammunition.
- Always wear appropriate eye and ear protection when using firearms.
- Be aware of your surroundings and ensure that you are in a safe environment for shooting.
- Follow all local laws and regulations concerning the use of ammunition and firearms.

Specific Safety Precautions for Use

- **Handling:**
 - Always treat every bullet as if it is live.
 - Do not handle bullets with wet or oily hands.
- **Loading and Unloading:**
 - Ensure the firearm is pointed in a safe direction when loading or unloading.
 - Check the firearm's chamber to ensure it is empty before loading.
- **Shooting:**
 - Use a proper shooting stance and grip.
 - Do not shoot at hard surfaces or water to avoid ricochets.
- **Storage:**
 - Store bullets in their original packaging until ready for use.
 - Use a locked cabinet or safe for longterm storage.

Instructions for Installation and Usage

- **Installation:**
 - Ensure your firearm is unloaded and pointed in a safe direction.
 - Open the magazine of your firearm and load the bullets one at a time, ensuring they are seated properly.
- **Usage:**
 - Always check the firearm's manual for specific loading instructions.
 - When ready to shoot, ensure the safety is off and the firearm is aimed at the target.
 - After shooting, ensure the firearm is unloaded before any maintenance or storage.

Disposal Instructions

- Dispose of any unused or expired ammunition according to local regulations.
- Do not throw bullets in regular trash. Contact local waste management facilities for proper disposal methods.
- Ensure that all spent casings and packaging are disposed of responsibly.

Contact Information for Further Support

For any safety inquiries or concerns regarding the 6.5MM Caliber Tipped MatchKing Bullets, please refer to the appropriate local authorities or safety organizations.

Thank you for your attention to these safety guidelines. Your safety and the safety of others is of utmost importance when handling ammunition.
