Safety Instruction Guide for CUSTOM GRADE RIFLE FULL LENGTH DIE SETS 7X57R MAUSER FULL LENGTH DIE SET

Introduction

Thank you for choosing the Hornady Custom Grade Rifle Full Length Die Set. This guide is designed to ensure your safe and effective use of the product. Please read all instructions carefully before using the die set to avoid any potential hazards.

General Safety Guidelines

- Always handle reloading equipment with care and follow all safety protocols.
- Ensure that your workspace is clean, organized, and free from distractions.
- Use personal protective equipment (PPE) such as safety glasses and gloves when reloading.
- Store the die set and all components in a secure location, out of reach of children and unauthorized users.
- Regularly inspect the die set for wear or damage before each use.
- Follow all manufacturer instructions for the use of the die set to avoid accidents.

Specific Safety Precautions for Use

- **Hazard Identification:** Improper use of the die set may lead to personal injury or damage to the firearm.
- **Avoid Overloading:** Do not exceed the recommended loads for the 7x57R Mauser cartridge.
- **Proper Alignment:** Ensure that the dies are properly aligned in the reloading press to avoid misfires or damage to the die set.
- **Ventilation:** Work in a wellventilated area to disperse any fumes from reloading materials.
- **Keep Components Separated:** Store different types of primers, powders, and bullets separately to prevent crosscontamination.

Instructions for Installation and Usage

1. Setup:

- Ensure your reloading press is securely mounted to a stable surface.
- Gather all necessary tools and materials including the die set, brass cases, bullets, and powder.

2. Installing the Dies:

- Remove the die set from its packaging and inspect for any damage.
- Install the full length sizing die into the reloading press according to the manufacturer's instructions.
- Tighten the die securely to prevent movement during operation.
- Install the bullet seating die in the same manner.

3. Reloading Process:

- Begin by resizing the brass cases using the full length sizing die.
- Follow the recommended procedures for adding powder and seating bullets.
- Always doublecheck measurements and settings before proceeding with reloading.

4. PostUse Care:

- Clean the die set after use to prevent residue buildup.
- Store the die set in its original packaging or a secure container.

Disposal Instructions

- Dispose of any unused or expired reloading materials in accordance with local regulations.
- Do not dispose of hazardous materials in regular trash. Check local guidelines for proper disposal methods.

Contact Information for Further Support

For any safety inquiries or concerns regarding the Hornady Custom Grade Rifle Full Length Die Set, please refer to the manufacturer's contact information provided with the product packaging.

By adhering to these guidelines, you can ensure a safe and enjoyable reloading experience. Thank you for your attention to safety and for choosing Hornady.
