

TYPE S MATCH BUSHING FULL DIE SETS - REDDING 30 NOSLER BUSHING FULL LENGTH DIE SET

[Reloading](#) > [Reloading Dies](#) > [Rifle Dies](#)

The Redding Type S Match Bushing Full Die Set contains a Type S Bushing Full Sizing Die and a Competition Seating Die. The Type S Bushing Full Die allows full length resizing while maintaining exact control of the case neck. Interchangeable bushings allow you to determine your own level of sizing and neck tension. The Competition Bullet Seating Die features a micrometer calibrated in .001" increments and floating seating stem system which help eliminate concentricity problems.

Safety Instruction Guide for Redding Type S Match Bushing Full Die Sets

Introduction

Thank you for choosing the Redding Type S Match Bushing Full Die Set for your reloading needs. This guide provides essential safety instructions to ensure the safe and effective use of the product. Please read this manual carefully before using the die set.

General Safety Guidelines

- Ensure safe use of the product by following all instructions.
- Always wear appropriate safety gear, including safety glasses and gloves, when handling reloading equipment.
- Keep the die set out of reach of children and vulnerable individuals.
- Regularly check for updates on product safety and recalls through the EU Safety Gate platform.
- Report any unsafe conditions or accidents to the appropriate authorities.

Specific Safety Precautions for Use

- **Hazard Awareness:** Be aware of potential hazards associated with reloading, including:
 - Improper handling of reloading components.
 - Risks of injury from sharp tools and metal parts.
 - Risks associated with incorrect resizing or seating of cartridges.
- **Proper Handling:** Always handle the die set with care to avoid injury.
- **Use in Appropriate Environment:** Use the die set in a wellventilated area away from flammable materials.
- **Check Equipment:** Before use, inspect the die set for any defects or damage. Do not use if damaged.
- **Follow Manufacturer Instructions:** Adhere strictly to the instructions provided in this manual for safe operation.

Instructions for Installation and Usage

1. Installation:

- Carefully unpack the die set and ensure all components are included.
- Follow the manufacturer's instructions to install the Type S Bushing Full Sizing Die and the Competition Bullet Seating Die in your reloading press.
- Make sure the dies are securely fastened to prevent movement during operation.

2. Usage:

- **Resizing Cases:**
 - Adjust the bushing to the desired size for neck tension.
 - Insert the case into the sizing die and operate the press according to the manufacturer's instructions.
- **Seating Bullets:**
 - Adjust the micrometer on the Competition Bullet Seating Die to the desired bullet seating depth.
 - Place the bullet on the case mouth and operate the press to seat the bullet.
- **Regular Maintenance:**
 - Clean the dies after use to prevent buildup of residue.
 - Store the die set in a dry, safe location when not in use.

Disposal Instructions

- Dispose of any damaged or wornout components in accordance with local regulations for hazardous waste.
- Recycle packaging materials where possible to minimize environmental impact.

Contact Information for Further Support

For any questions or concerns regarding the Redding Type S Match Bushing Full Die Set, please refer to the manufacturer's website or contact their customer support for assistance.

By following these safety instructions, you can ensure a safe and effective reloading experience with your Redding Type S Match Bushing Full Die Set. Thank you for your attention to safety!
