# Safety Instruction Guide for Redding 6mm Creedmoor Full Length Die Set

## Introduction

Thank you for purchasing the Redding 6mm Creedmoor Full Length Die Set. This guide contains important safety information and instructions to ensure the safe and effective use of this product. Please read this guide carefully before use.

## General Safety Guidelines

- Ensure that you are familiar with the basic principles of reloading ammunition before using this die set.
- Always wear appropriate safety gear, including safety glasses and gloves, when handling reloading equipment.
- Keep the die set and all reloading components out of reach of children and unauthorized personnel.
- Inspect the die set for any damage or wear before each use. Do not use damaged equipment.
- Follow all local laws and regulations regarding ammunition reloading and storage.

## Specific Safety Precautions for Use

- **Hazard Identification:**

- Improper use of the die set can lead to accidents, including misfires or firearm malfunction.
- Use of incorrect components (e.g., bullets, primers, or powder) can create dangerous conditions.

- **Avoiding Hazards:**

- Always doublecheck the specifications of the components you are using with this die set to ensure compatibility.
- Do not exceed recommended loads as specified in reloading manuals.
- Never leave the reloading area unattended while in use.
- Ensure that your workspace is wellventilated to avoid inhalation of any dust or fumes.

## Instructions for Installation and Usage

### 1. Installation:

- Ensure that your reloading press is securely mounted to a stable work surface.
- Clean the die set and press before installation to remove any debris.
- Install the full length sizing die into the press according to the manufacturer's instructions.
- Adjust the die to ensure proper sizing of the cartridge case.

### 2. Usage:

- Follow the reloading data specific to the 6mm Creedmoor cartridge.
- Use the sizing die to resize the cartridge cases before loading.
- Use the seating die to properly seat bullets into the cartridge cases.
- After loading, visually inspect each cartridge for proper assembly and any signs of defects.

## Disposal Instructions

- Dispose of any unused or expired reloading components in accordance with local regulations.

- Do not dispose of metal or plastic components in regular household waste. Check with local recycling programs for proper disposal methods.
- Ensure that all hazardous materials, such as primers and powders, are disposed of safely and responsibly.

## **Contact Information for Further Support**

For any inquiries regarding safety or usage of the Redding 6mm Creedmoor Full Length Die Set, please refer to the manufacturer's website or contact your local authorized dealer.

## **Conclusion**

By following these safety instructions, you can ensure a safe and effective reloading experience with your Redding 6mm Creedmoor Full Length Die Set. Always prioritize safety and adhere to best practices in ammunition reloading. Thank you for choosing Redding!
