# Safety Instruction Guide for the Redding 223 WSSM Instant Indicator

## Introduction

Thank you for choosing the Redding 223 WSSM Instant Indicator. This precision tool is designed to assist hand loaders in achieving optimal bullet seating depth and headspace measurements. To ensure safe and effective usage, please read this safety instruction guide carefully. It is important to understand the proper handling and usage of this product to avoid potential hazards.

## General Safety Guidelines

- Always follow the manufacturer's instructions for use.
- Inspect the tool before each use to ensure it is in proper working condition.
- Keep the tool out of reach of children and vulnerable individuals.
- Do not modify or alter the tool in any way.
- Use the tool only for its intended purpose.
- Report any unsafe conditions or accidents to the appropriate authorities.
- Stay informed about product recalls and safety updates through the EU Safety Gate platform.

## Specific Safety Precautions for Use

- **Potential Hazards:**
  - Sharp edges may cause cuts or injuries.
  - Improper use may lead to inaccurate measurements, affecting ammunition safety.
- **Avoiding Hazards:**
  - Handle the tool with care, particularly around sharp edges.
  - Ensure you are familiar with the measurement process before using the tool.
  - Always wear safety glasses when using the tool to protect your eyes from potential debris.
  - Do not use the tool in wet or damp conditions to prevent electrical hazards.
- **AgeSpecific Warnings:**
  - This product is not intended for use by children. Ensure that it is stored safely away from their reach.
  - Adult supervision is recommended for individuals who are inexperienced in using precision tools.

## Instructions for Installation and Usage

### 1. Unpacking the Tool:

- Carefully remove the Redding 223 WSSM Instant Indicator and its components from the packaging.
- Check that all parts are included: one bore diameter bushing, surface contactor, shoulder contactor, headspace gauge, and dial indicator.

### 2. Setting Up the Tool:

- Select the appropriate bore diameter bushing based on the cartridge you are measuring.
- Attach the surface contactor and shoulder contactor as per the instructions provided in the manual.

### 3. **Using the Tool:**

- To measure headspace:
  - Insert the appropriate bushing into the chamber of the firearm.
  - Follow the instructions to align the tool correctly for accurate readings.
- To measure bullet seating depth:
  - Use the dial indicator to check the depth of the seated bullet.
  - Record measurements carefully for reference.

### 4. **After Use:**

- Clean the tool after each use to maintain its accuracy and longevity.
- Store the tool in a safe, dry place, away from children and pets.

## **Disposal Instructions**

- Dispose of the Redding 223 WSSM Instant Indicator in accordance with local regulations regarding electronic waste.
- Do not dispose of the tool in regular household waste.
- Check with local authorities for recycling options or hazardous waste disposal sites.

## **Contact Information for Further Support**

For any safety inquiries or further assistance regarding the Redding 223 WSSM Instant Indicator, please refer to the manufacturer's contact information provided in the product packaging or user manual.

By following these safety instructions, you can ensure a safe and effective experience with your Redding 223 WSSM Instant Indicator. Thank you for your attention to these important guidelines.
