Safety Instruction Guide for the Redding 6mm PPC Instant Indicator

Introduction

Thank you for choosing the Redding 6mm PPC Instant Indicator. This precision tool is designed to assist hand loaders in achieving accurate measurements for headspace and bullet seating depth. To ensure your safety and the effective use of this product, please read and follow these safety instructions carefully.

General Safety Guidelines

- **Product Safety:** This product is designed for safe use. Always follow the instructions to minimize risks.
- **Enhanced Recalls:** Stay informed about any recalls or safety notices regarding this product.
- **Online Shopping:** Ensure you purchase this product from authorized retailers who comply with safety regulations.
- **Special Consumer Focus:** Keep this product away from children and vulnerable individuals.
- **EU Contact Point:** For any safety inquiries, please refer to the designated contact point in your region.
- **Rapid Alerts:** Monitor the EU's Safety Gate platform for updates on unsafe products.

Specific Safety Precautions for Use

- **Read Instructions:** Always read the user manual before using the tool.
- **Inspect the Tool:** Check for any damage or wear before each use. Do not use if damaged.
- **Use Properly:** Only use the tool for its intended purpose as described in the manual.
- **Avoid Contact with Moving Parts:** Keep hands and clothing clear of any moving parts during use.
- **Wear Safety Gear:** Use appropriate personal protective equipment (PPE) such as safety glasses and gloves when necessary.
- **Work in a Safe Environment:** Ensure your workspace is clean and free from hazards.
- **Store Safely:** Keep the tool in a secure location when not in use to prevent unauthorized access or accidents.

Instructions for Installation and Usage

1. Setup:

- Remove the tool from its packaging.
- Ensure all components are included: one bore diameter bushing, surface contactor, shoulder contactor, headspace gauge, and dial indicator.
- Place the tool on a stable surface.

2. Using the Instant Indicator:

- **Sorting Bullets:** Use the tool to sort bullets for uniformity.
- **Sorting Cases:** Sort fired cases from different rifles and sized cases for uniformity.
- **Setting Up Sizing Die:** Follow the instructions to set up the sizing die correctly.
- **Comparing Cases:** Compare sized cases to fired cases to check headspace.
- **Checking Shoulder Bump:** Use the tool to check the uniformity of shoulder bump.
- **Bullet Seating Depth:** Measure bullet seating depth uniformity.
- **Sorting Loaded Ammunition:** Sort loaded ammunition for consistency.
- **Trimming Cases:** Determine when cases require trimming and check trim length uniformity.

3. Maintenance:

- Clean the tool after each use to maintain accuracy and prolong its lifespan.
- Store the tool in a dry place, away from moisture and extreme temperatures.

Disposal Instructions

- Dispose of the product in accordance with local regulations.
- Do not dispose of the tool in regular household waste.
- Consider recycling options for any metal or plastic components.

Contact Information for Further Support

For any questions or concerns regarding the Redding 6mm PPC Instant Indicator, please refer to the contact information provided by your retailer or the manufacturer. Ensure you have the product details ready when seeking assistance.

By following these safety instructions, you can ensure a safe and effective experience with your Redding 6mm PPC Instant Indicator. Thank you for your attention to safety.
