# Safety Instruction Guide for Redding 338 Lapua Magnum Instant Indicator

## Introduction

Thank you for choosing the Redding 338 Lapua Magnum Instant Indicator. This precision tool is designed to assist hand loaders in measuring headspace and bullet seating depth accurately. To ensure safe and effective use of this product, please read and follow the safety instructions outlined in this guide.

## General Safety Guidelines

- Always use the Instant Indicator in a safe and controlled environment.
- Keep the tool out of reach of children and individuals who may not understand its use.
- Inspect the tool for any damage or wear before each use. Do not use if damaged.
- Follow all local laws and regulations regarding the use of ammunition and reloading equipment.
- Use appropriate personal protective equipment (PPE) such as safety glasses when using the tool.

## Specific Safety Precautions for Use

- Ensure that the working area is clean and free of any distractions.
- Always handle the tool with care to avoid injury.
- Do not exceed the specified measurement limits of the tool (.001").
- Be cautious when comparing fired cases to sized cases to avoid misinterpretation of headspace measurements.
- Avoid using the tool with any ammunition that is not compatible with the 338 Lapua Magnum specifications.
- Do not attempt to modify or repair the tool yourself. Contact a qualified professional for repairs.

## Instructions for Installation and Usage

### 1. Setup:

- Remove the Instant Indicator from its packaging.
- Ensure all components are present: one bore diameter bushing, surface contactor, shoulder contactor, headspace gauge, and dial indicator.

### 2. Usage:

- To measure headspace:
  - Insert the bore diameter bushing into the chamber of the firearm.
  - Use the shoulder contactor to establish contact with the shoulder of the case.
  - Read the measurement on the dial indicator.
- To check bullet seating depth:
  - Place the bullet in the chamber and use the surface contactor to measure from the base of the bullet to the gauge.
  - Record the measurement for comparison.
- For sorting bullets and cases:
  - Use the tool to compare measurements of different bullets and cases to ensure uniformity.

### 3. Post Use:

- Clean the tool after each use to maintain accuracy and prolong its lifespan.
- Store the tool in a safe, dry place away from direct sunlight and moisture.

## **Disposal Instructions**

- Dispose of the tool responsibly at the end of its life cycle.
- Do not dispose of the tool in regular household waste.
- Check local regulations for proper disposal methods of tools and equipment.

## **Contact Information for Further Support**

For any inquiries regarding safety or usage, please refer to the manufacturer's website or customer service for assistance.

Thank you for your attention to these safety guidelines. Enjoy using your Redding 338 Lapua Magnum Instant Indicator responsibly and safely.
