MATCH GRADE RIFLE DIE SETS 6MM BR REMINGTON FULL LENGTH 2DIE SET Safety Instructions

Introduction

Thank you for choosing the MATCH GRADE RIFLE DIE SETS 6MM BR REMINGTON FULL LENGTH 2DIE SET by Hornady. This product is designed to provide ultraprecise alignment and matchwinning performance. To ensure safe and effective use, please read and follow these safety instructions carefully.

General Safety Guidelines

- Always handle all reloading equipment with care to prevent accidents.
- Ensure that the work area is clean, welllit, and free from distractions.
- Keep the die set and all related tools out of reach of children and unauthorized persons.
- Wear appropriate safety gear, such as safety glasses and gloves, when using the die set.
- Follow all local laws and regulations regarding the use of reloading equipment and ammunition.
- Report any unsafe products or incidents to the appropriate authorities.

Specific Safety Precautions for Use

- Use only compatible cartridges (6 mm BR) with this die set.
- Do not exceed recommended load limits for the cartridges being used.
- Ensure that the press is securely mounted before use.
- Regularly inspect the die set for signs of wear or damage before each use.
- Avoid oversizing case necks by using the correct neck size bushings.
- Follow the manufacturer's instructions for the installation and adjustment of the dies.
- Never leave the die set unattended while in use.

Instructions for Installation and Usage

1. Installation:

- Begin by carefully unpacking the die set and checking all components for completeness.
- Securely mount the reloading press to a stable work surface.
- Install the full length bushing die into the press according to the manufacturer's instructions.
- Insert the appropriate neck size bushing into the die, ensuring it is properly seated.
- Install the seater die in the same manner.

2. Usage:

- Prepare your brass cases by cleaning and inspecting them for defects.
- Adjust the die settings according to the specific requirements of your cartridge.
- Follow proper reloading procedures, including measuring powder charges and seating bullets.
- After reloading, inspect each cartridge for proper dimensions and overall quality.
- Store all completed ammunition in a safe and secure location.

Disposal Instructions

- Dispose of any defective or damaged dies in accordance with local regulations.
- Do not discard any metal components in regular household waste; check for recycling options.
- Properly dispose of any used brass cases and other materials in a manner that complies with local laws.

Contact Information for Further Support

For any questions or concerns regarding the MATCH GRADE RIFLE DIE SETS 6MM BR REMINGTON FULL LENGTH 2DIE SET, please refer to the manufacturer's contact information provided with the product or visit their official website.

By following these safety instructions, you can ensure a safe and enjoyable reloading experience with your Hornady die set. Thank you for your attention to safety and compliance with the EU General Product Safety Regulation (GPSR).
