Safety Instruction Guide for Hornady Match Grade Rifle Die Sets 308 Winchester Full Length 2Die Set

Introduction

Thank you for purchasing the Hornady Match Grade Rifle Die Sets for 308 Winchester. This guide provides essential safety instructions and guidelines to ensure the safe and effective use of this product. Please read this document carefully before using the die set.

General Safety Guidelines

- Ensure that all tools and equipment are in good working condition before use.
- Always wear appropriate personal protective equipment (PPE) such as safety glasses and gloves when handling reloading materials.
- Keep the work area clean and organized to prevent accidents.
- Store dies and reloading materials in a safe, dry place out of reach of children and unauthorized users.
- Familiarize yourself with the specific safety information related to the materials you are using for reloading.

Specific Safety Precautions for Use

- Handle all components with care to avoid damage and ensure proper function.
- Do not exceed recommended loads as specified in reloading manuals.
- Use only the correct cartridge type for this die set (308 Winchester).
- Be aware of the potential risks associated with reloading, including the handling of powders and primers.
- Always work in a wellventilated area to minimize exposure to fumes and dust.
- If you experience any unusual reactions or symptoms while using this product, stop immediately and seek medical attention if necessary.

Instructions for Installation and Usage

1. Preparation

- Gather all necessary tools and materials, including the die set, press, and reloading components.
- Ensure that your workspace is clean and welllit.

2. Installation of Dies

- Securely mount the fulllength bushing die onto your reloading press according to the manufacturer's instructions.
- Install the seater die in the same manner, ensuring it is properly aligned.

3. Using the Full Length Bushing Die

- Select the appropriate neck size bushing for your case neck.
- Insert the case into the die and follow the manufacturer's instructions for resizing.

4. Seating Bullets

- Place the prepared case into the seater die.
- Carefully insert the bullet into the case mouth.

- Operate the press to seat the bullet to the desired depth, following recommended specifications.

5. Storage and Maintenance

- After use, clean the dies to remove any residue or debris.
- Store the dies in the provided storage box to protect them from damage.

Disposal Instructions

- Dispose of any used or damaged reloading components in accordance with local regulations.
- Do not dispose of unused powders or primers in regular trash; contact local authorities for proper disposal methods.

Contact Information for Further Support

For any safety inquiries or additional support regarding the Hornady Match Grade Rifle Die Sets, please refer to the official Hornady website or your point of purchase for assistance.

Thank you for choosing Hornady. Your safety is our priority. Enjoy your reloading experience responsibly!
