

# MATCH GRADE BUSHING - .335" DIAMETER MATCH BUSHING

[Reloading](#) > [Reloading Dies](#) > [Neck Size Bushings](#)

The Hornady match Grade Dies feature interchangeable neck sizing bushings that are self centering. The bushings allow the user to size the case neck to the bullet tension you desire. This eliminates the chance of over-sizing your case necks and overworking the brass. Bushings are available in .002 inch increments. The Match Grade Full Length Die will size the case body, bump the shoulder and size the case neck with the selected bushing. The Match Grade Neck Die sizes the neck with the installed bushing and bumps the shoulder only (no body sizing). Both versions feature a self centering decap spindle with an o-ring spindle tensioner, and the elliptical expander ball with headed decap pin - the same pin used in the Custom Grade Dies. These bushing sizer dies have some unique features and are very well made and finished.

## Attributes

- Name: [.335" DIAMETER MATCH BUSHING](#)
- Manufacturer: [HORNADY](#)
- Product no.: 749016885
- Mfr. No.: 594335

# MATCH GRADE BUSHING Safety Instruction Guide

## Introduction

Thank you for choosing the MATCH GRADE BUSHING .335" DIAMETER MATCH BUSHING by Hornady. This guide provides essential safety information and instructions to ensure the safe and effective use of this product. Please read this guide carefully before use.

## General Safety Guidelines

- Ensure the product is used only for its intended purpose as specified in the product description.
- Always inspect the bushing for any signs of damage or wear before use.
- Keep the product out of reach of children and vulnerable individuals.
- Use protective eyewear when handling and using reloading equipment.
- Follow all local regulations regarding the use and storage of reloading components.

## Specific Safety Precautions for Use

- **Hazard Identification:**
  - Improper use can lead to oversizing or damaging the brass.
  - Ensure the correct bushing size is selected to avoid excessive tension on the bullet.
- **Avoid Oversizing:**
  - Use the bushings as directed to prevent overworking the brass and ensure the longevity of your materials.
- **Proper Handling:**
  - Handle the bushing with care to avoid injury.
  - Do not use excessive force when installing or removing the bushing.
- **Storage:**
  - Store the bushings in a dry, cool place to prevent corrosion or damage.

## Instructions for Installation and Usage

### 1. Installation:

- Ensure the die is clean and free from debris.
- Select the appropriate bushing size for your specific needs.
- Install the bushing into the die by aligning it properly and securing it according to the manufacturer's instructions.
- Check that the bushing is seated correctly before proceeding.

### 2. Usage:

- Insert the case into the die and ensure it is positioned correctly.
- Adjust the die to achieve the desired neck tension.
- Operate the reloading press smoothly to avoid damaging the bushing or the case.
- After use, remove the case and inspect it for proper sizing.

### 3. PostUse Care:

- Clean the bushing and die after each use to maintain optimal performance.
- Store the bushing and die in a protective case to prevent damage.

## **Disposal Instructions**

- Dispose of any damaged or worn bushings in accordance with local waste disposal regulations.
- Do not dispose of the product in regular household waste. Instead, contact local recycling centers for proper disposal methods.

## **Contact Information for Further Support**

For any inquiries regarding the MATCH GRADE BUSHING or safety concerns, please refer to the product packaging for contact information. It is essential to have access to support for any issues or questions that may arise during use.

## **Conclusion**

By following these safety instructions and guidelines, you can ensure a safe and effective experience with the MATCH GRADE BUSHING. Always prioritize safety and proper handling to achieve the best results in your reloading activities. Thank you for your attention to these important safety measures.
