

6.5 CREEDMOOR SMALL PRIMER POCKET BRASS - STARLINE 6.5 CRDMR SML PRIMER BRASS 500

[Reloading](#) > [Brass](#) > [Rifle Brass](#)

More Reliable Ignition for Your Favorite Caliber

Starline 6.5 Creedmoor Small Primer Pocket brass is ready to receive shooter's precisely tuned handloads, but Starline made a slight change to this particular collection of brass in order to improve the reloader's experience. Starline 6.5 Creedmoor Small Primer Pocket brass, like the name implies, features a small primer pocket instead of the standard large primer pocket usually featured on 6.5 Creedmoor brass. This allows for better ignition of slower-burning powders, as well as more reliable ignition in colder temperatures. Primer pocket measures .080-inch Sells in 100-count and 500-count packs Ships in loosely packed bags Starline 6.5 Creedmoor Small Primer Pocket brass also benefits reloaders in that it is less likely to break decapping pins and also maintains primer pocket size much better under higher pressures than standard primer holes.

Attributes

- Name: [STARLINE 6.5 CRDMR SML PRIMER BRASS 500](#)
- Manufacturer: [STARLINE](#)
- Product no.: 749017019

Safety Instruction Guide for Starline 6.5 Creedmoor Small Primer Pocket Brass

Introduction

Thank you for choosing Starline 6.5 Creedmoor Small Primer Pocket brass. This product is designed to enhance your reloading experience while ensuring safety during use. Please read this safety instruction guide carefully to understand how to use this product safely and effectively.

General Safety Guidelines

- Always handle the brass with care to avoid injury.
- Store the brass in a cool, dry place away from direct sunlight.
- Use only within the specified parameters for reloading to prevent accidents.
- Ensure that the workspace is clean and organized to minimize risks.
- Follow all local laws and regulations regarding the use and storage of ammunition components.

Specific Safety Precautions for Use

- **Hazard Identification:**
 - Improper handling or reloading can lead to accidents such as misfires or injuries.
 - Using incompatible components may result in unsafe pressure levels.
- **Avoiding Hazards:**
 - Always inspect the brass for defects before use.
 - Do not exceed recommended load specifications.
 - Ensure the reloading equipment is in good working condition.
- **Audience Specific Warnings:**
 - This product is intended for use by individuals who are experienced in reloading ammunition.
 - Keep out of reach of children and inexperienced users.

Instructions for Installation and Usage

1. Preparation:

- Gather all necessary reloading equipment and safety gear, including safety glasses and gloves.
- Ensure your workspace is well ventilated and free from distractions.

2. Reloading Process:

- Inspect each piece of brass for any signs of damage or wear before reloading.
- Use small primers suitable for the small primer pocket of this brass.
- Follow the reloading manual specific to the 6.5 Creedmoor cartridge for accurate load data.
- Load the brass according to the recommended specifications, ensuring that no debris is present in the primer pocket.

3. Testing:

- After reloading, conduct a visual inspection of the cartridges.

- Test fire in a controlled environment, following all firearm safety protocols.

4. Storage:

- Store reloaded ammunition in a cool, dry place.
- Label storage containers clearly to avoid confusion.

Disposal Instructions

- Dispose of any defective or damaged brass in accordance with local regulations.
- Do not throw brass in regular trash; instead, recycle it if possible.
- Follow any specific disposal instructions provided by local waste management authorities.

Contact Information for Further Support

For further inquiries regarding safety or product information, please refer to the manufacturer's contact details provided with your product packaging.

This safety instruction guide is designed to help you use Starline 6.5 Creedmoor Small Primer Pocket brass safely and effectively. Please follow all guidelines and precautions to ensure a safe reloading experience.
