Safety Instruction Guide for TYPE S BUSHING NECK DIE SETS REDDING 22 NOSLER BUSHING NECK DIE SET

Introduction

Thank you for choosing the TYPE S BUSHING NECK DIE SETS REDDING 22 NOSLER BUSHING NECK DIE SET. This guide provides essential safety information to ensure the safe and effective use of this product. Please read the following instructions carefully before using the die set.

General Safety Guidelines

- **Product Safety:** Ensure that the die set is used in accordance with the manufacturer's instructions to prevent any accidents or injuries.
- **Enhanced Recalls:** Stay informed about any product recalls by checking the official channels.
- **Online Shopping:** When purchasing online, verify that the seller complies with safety regulations.
- **Special Consumer Focus:** This product is intended for use by individuals with adequate knowledge of reloading practices. Keep out of reach of children.
- **EU Contact Point:** For safety inquiries, ensure you have access to an EU-based contact for assistance.
- **Rapid Alerts:** Regularly check the EU's Safety Gate platform for updates on unsafe products.

Specific Safety Precautions for Use

- Always wear appropriate safety gear, including safety glasses and gloves, when handling reloading equipment.
- Ensure that the workspace is clean and free from distractions.
- Do not exceed the recommended load specifications for your ammunition.
- Inspect the die set for any damage before use. Do not use if any parts are damaged.
- Keep the die set and all components away from moisture and extreme temperatures.
- Store the die set in a secure location when not in use to prevent unauthorized access.

Instructions for Installation and Usage

• **Installation:**

1. Ensure that your reloading press is securely mounted and stable.
2. Remove the die set from its packaging and inspect for any missing or damaged parts.
3. Install the Type S Bushing Neck Die into the reloading press according to the manufacturer's instructions.
4. Secure the die in place using the provided wrench.
5. Insert the appropriate bushing into the neck die to achieve the desired neck tension.

• **Usage:**

1. Prepare your brass cases by cleaning and inspecting them for defects.
2. Set the desired size on the die using the bushing and adjust as necessary.
3. Place the brass case in the shell holder of the reloading press.
4. Pull the handle of the press to resize the case neck.
5. Repeat the process for each case to be reloaded.
6. After use, clean the die set to remove any residue and store it properly.

Disposal Instructions

- Dispose of any unused or damaged components in accordance with local regulations.
- Do not dispose of the die set in regular household waste. Follow appropriate recycling or hazardous waste disposal guidelines.

Contact Information for Further Support

For any inquiries or support regarding the TYPE S BUSHING NECK DIE SETS REDDING 22 NOSLER BUSHING NECK DIE SET, please refer to the manufacturer's contact information provided with the product packaging or visit the official website.

Thank you for your attention to these safety instructions. Proper use and maintenance of your die set will ensure a safe and efficient reloading experience.
