# TYPE S MATCH BUSHING NECK DIE SET SAFETY INSTRUCTIONS

## Introduction

Thank you for choosing the TYPE S MATCH BUSHING NECK DIE SET by REDDING. This product is designed for precision reloading of the 22 Nosler cartridge. To ensure your safety and the proper use of this product, please read and follow these safety instructions carefully.

## General Safety Guidelines

- Always use the die set in accordance with the manufacturer's instructions.
- Keep the die set out of reach of children and unauthorized users.
- Regularly inspect the die set for signs of wear or damage before use.
- Use appropriate personal protective equipment (PPE) such as safety glasses and gloves when reloading.
- Ensure that your reloading area is wellventilated and free of flammable materials.
- Be aware of your surroundings and ensure that no one is in close proximity when reloading.
- Report any unsafe products or accidents to the relevant authorities.

## Specific Safety Precautions for Use

- **Potential Hazards:**

- Improper use can lead to personal injury or damage to property.
- Incomplete or damaged cartridges can cause malfunctions or accidents.

- **Instructions for Avoiding Hazards:**

- Always follow the recommended load data provided by the powder manufacturer.
- Do not exceed the maximum load limits specified for the 22 Nosler cartridge.
- Ensure that all components used in reloading are compatible with the die set.
- Avoid distractions while reloading to maintain focus on the task.

- **AgeSpecific Warnings:**

- This product is intended for use by adults only. Keep it away from children and pets.

## Instructions for Installation and Usage

### 1. Setup:

- Unpack the die set and ensure all components are included: Type S Bushing Neck Sizing Die, Body Die, and Competition Seating Die.
- Clean the dies with a soft cloth to remove any manufacturing residue.

### 2. Installation:

- Securely mount the dies in your reloading press according to the manufacturer's instructions.
- Adjust the sizing die to the desired depth for neck sizing.

### 3. Usage:

- Follow the stepbystep reloading process:

- Resize the brass cases using the Type S Bushing Neck Sizing Die.
- Use the Body Die for fulllength sizing if necessary.
- Seat the bullets using the Competition Seating Die, ensuring proper alignment.
- Inspect each completed cartridge for visual defects before use.

#### **4. Maintenance:**

- Store the die set in a dry, cool place to prevent rust and corrosion.
- Periodically check the dies for any signs of wear or damage and replace if necessary.

## **Disposal Instructions**

- Dispose of any unused or defective components in accordance with local regulations.
- Do not throw away live ammunition or components in regular trash. Contact local authorities for proper disposal methods.

## **Contact Information for Further Support**

For any inquiries or support regarding the TYPE S MATCH BUSHING NECK DIE SET, please refer to the manufacturer's official website or customer support channels. Ensure you have the product information ready when seeking assistance.

By following these safety instructions, you can ensure a safe and effective reloading experience with your TYPE S MATCH BUSHING NECK DIE SET. Thank you for your commitment to safety and precision in your reloading activities.
