

# TYPE S MATCH BUSHING FULL DIE SETS - REDDING 6MM CREEDMOOR BUSHING FULL LENGTH DIE SET

[Reloading](#) > [Reloading Dies](#) > [Rifle Dies](#)

The Redding Type S Match Bushing Full Die Set contains a Type S Bushing Full Sizing Die and a Competition Seating Die. The Type S Bushing Full Die allows full length resizing while maintaining exact control of the case neck. Interchangeable bushings allow you to determine your own level of sizing and neck tension. The Competition Bullet Seating Die features a micrometer calibrated in .001" increments and floating seating stem system which help eliminate concentricity problems.

# Safety Instruction Guide for Redding Type S Match Bushing Full Die Sets

## Introduction

Thank you for choosing the Redding Type S Match Bushing Full Die Set for your reloading needs. This guide provides essential safety instructions to ensure the safe use of this product. Please read this manual carefully before use.

## General Safety Guidelines

- Always follow the manufacturer's instructions for safe operation and maintenance of the die set.
- Ensure that the die set is used only for its intended purpose: reloading ammunition for the 6mm Creedmoor cartridge.
- Keep the die set out of reach of children and unauthorized individuals.
- Inspect the die set for any damage or wear before each use. Do not use if damaged.
- Store the die set in a dry, secure place when not in use to prevent accidental injury or damage.

## Specific Safety Precautions for Use

- Always wear appropriate safety gear, including eye protection, when using the die set.
- Be aware of your surroundings and ensure that no unauthorized persons are nearby while reloading.
- Use the die set in a wellventilated area to avoid inhaling any fumes or dust.
- Avoid distractions while using the die set to maintain focus and prevent accidents.
- Follow proper procedures for handling and storing reloading components to minimize risks.

## Instructions for Installation and Usage

### Installation

1. Ensure that your reloading press is securely mounted and stable.
2. Remove any existing dies from the press before installing the Redding Type S Match Bushing Full Die Set.
3. Install the Type S Bushing Full Sizing Die into the press. Tighten securely.
4. Insert the appropriate bushing for your desired neck tension into the sizing die.
5. Install the Competition Bullet Seating Die into the press. Tighten securely.
6. Adjust the micrometer on the seating die according to your bullet specifications.

### Usage

1. Prepare your brass cases by cleaning and inspecting them for damage.
2. Insert the case into the sizing die and operate the press to resize the case.
3. Remove the resized case and check for proper neck tension.
4. Insert the bullet into the case mouth and place it in the seating die.
5. Operate the press to seat the bullet to the desired depth as indicated by the micrometer.
6. Inspect the finished cartridge for proper assembly and safety.

## Disposal Instructions

- Dispose of any used or damaged components in accordance with local regulations.
- Do not dispose of reloading materials in regular household waste. Contact local authorities for proper disposal methods.

## **Contact Information for Further Support**

For any inquiries regarding safety or product information, please refer to the manufacturer's website or customer service contact. It is important to have access to support for any questions or concerns regarding the use of this product.

## **Conclusion**

By following these safety instructions, you can ensure a safe and effective reloading experience with your Redding Type S Match Bushing Full Die Set. Always prioritize safety and stay informed about best practices in reloading. Thank you for choosing our product.
