

# COMPETITION BUSHING NECK DIE SETS - REDDING 6.5 GRENDEL COMPETITION BUSHING NECK DIE SET

[Reloading](#) > [Reloading Dies](#) > [Rifle Dies](#)

Redding Competition Bushing Neck Die Set includes a Competition Bushing Neck Sizing Die, a Body Die, and a Competition Bullet Seater. Neck Sizing Die and Seater feature micrometer adjustments. Bushings and Shellholder sold separately. Competition Bushing Neck Die - With this die, the cartridge case is completely supported and aligned with the sizing bushing before the sizing process begins. As the sizing process starts, the cartridge case remains supported in the tightly chambered, sliding sleeve as it moves upward while the resizing bushing self-centers on the case neck. The decapping rod is maintained in precise alignment by using the internal parts of the die as a linear support much like that of a firing pin. Meanwhile, the micrometer adjustment of the bushing position delivers precise control to the desired amount of neck length to be sized. Body Die -designed to full length resize the case body and bump the shoulder position for proper chambering without disturbing the case neck. Competition Bullet Seater - Tighter manufacturing tolerances have been made possible due to the details of the floating seating stem system. The bullet guide to seating stem fit is so precise that the seating stem can actually be demonstrated to "float"

## Attributes

- Name: [REDDING 6.5 GRENDEL COMPETITION BUSHING NECK DIE SET](#)
- Manufacturer: [REDDING](#)
- Product no.: 749017123
- Mfr. No.: 58478

# Safety Instruction Guide for Redding Competition Bushing Neck Die Set

## Introduction

Thank you for choosing the Redding Competition Bushing Neck Die Set for your reloading needs. This guide provides essential safety instructions to ensure the safe and effective use of this product. Please read this guide carefully before using the die set.

## General Safety Guidelines

- **Product Safety:** This die set is designed for safe use in reloading ammunition. Ensure you follow all safety instructions to minimize risks.
- **Enhanced Recalls:** Stay informed about recalls. If a recall occurs, you will be notified and provided with remedies at no cost.
- **Online Shopping:** If purchased online, you are entitled to the same safety protections as if purchased in a physical store.
- **Special Consumer Focus:** This product is not intended for use by children. Always keep it out of reach of minors.
- **EU Contact Point:** For any safety inquiries, please refer to the contact information provided with your purchase.
- **Rapid Alerts:** Be aware of updates on unsafe products via the EU Safety Gate platform.

## Specific Safety Precautions for Use

- **Read Instructions:** Always read the instructions thoroughly before use.
- **Proper Training:** Ensure you have proper training in reloading practices before using this die set.
- **Protective Gear:** Wear appropriate safety gear, including safety glasses and gloves, while reloading.
- **Ventilation:** Use the die set in a well-ventilated area to avoid inhalation of any fumes or dust.
- **Inspect Equipment:** Regularly inspect the die set for any signs of wear or damage before use.
- **Avoid Distractions:** Ensure you are focused and free from distractions while reloading.
- **Follow Manufacturer Guidelines:** Only use the die set as instructed by the manufacturer.

## Instructions for Installation and Usage

- **Installation:**

1. Ensure your reloading press is securely mounted and stable.
2. Insert the Body Die into the press and tighten securely.
3. Install the Competition Bushing Neck Sizing Die following the same procedure.
4. Attach the Competition Bullet Seater to the press.
5. Ensure all components are properly aligned and secured before use.

- **Usage:**

1. **Neck Sizing:**

- Place the cartridge case into the sizing die.
- Adjust the micrometer for the desired neck length.
- Operate the press to size the neck of the cartridge case.

2. **Body Resizing:**

- Insert the cartridge case into the Body Die.
- Operate the press to resize the case body and bump the shoulder.

### 3. **Bullet Seating:**

- Place a bullet into the cartridge case.
- Adjust the seating depth using the micrometer on the seater.
- Operate the press to seat the bullet securely.

- **PostUse:**

- Clean the die set after use to prevent corrosion and maintain performance.
- Store the die set in a dry place, away from moisture and extreme temperatures.

## **Disposal Instructions**

- Dispose of any damaged or worn components of the die set in accordance with local regulations.
- Do not dispose of the die set in regular household waste. Check for local recycling programs or hazardous waste disposal options.

## **Contact Information for Further Support**

For further assistance, please refer to the contact information provided with your purchase.

Thank you for following these safety guidelines. By adhering to these instructions, you can ensure a safe and successful reloading experience with your Redding Competition Bushing Neck Die Set.
