

# 33 NOSLER TYPE S MATCH BUSHING NECK DIE SET - REDDING 33 NOSLER TYPE S MATCH BUSHING NECK DIE SET

[Reloading](#) > [Reloading Dies](#) > [Rifle Dies](#)

The Redding 33 Nosler Type S Bushing Neck Die provides reloaders with a simple means to precisely control case neck size and tension. Uses interchangeable sizing bushing available in .001" increments. The adjustable decapping rod allows positioning the bushing to resize only a portion of the neck length if desired. Concentricity is enhanced by the ability of the resizing bushing to self-center on the case neck. The decapping rod is supplied with a standard size button. This is especially useful for reloaders who are using commercial brass as is. A decapping pin retainer is also supplied with most Type S Bushing Dies except 17 and 20 Caliber. This enables neck sizing without the use of the size button for those who sort and/or turn case necks for uniformity. Includes Type S Bushing Neck Sizing Die, Body Die, and a Competition Seating Die.

# Safety Instruction Guide for the Redding 33 Nosler Type S Match Bushing Neck Die Set

## Introduction

Thank you for choosing the Redding 33 Nosler Type S Match Bushing Neck Die Set. This product is designed to provide reloaders with precise control over case neck size and tension. To ensure your safety and the safe use of this product, please read and follow the instructions outlined in this guide carefully.

## General Safety Guidelines

- Ensure that the product is used in accordance with the manufacturer's instructions.
- Keep the product out of reach of children and vulnerable individuals.
- Regularly check for any wear or damage to the die set before use.
- Report any unsafe products or accidents to the relevant authorities.
- Stay informed about potential recalls or safety alerts via the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- Always wear appropriate safety gear, including eye protection, when using reloading equipment.
- Ensure the workspace is clean, dry, and free from distractions.
- Do not exceed the recommended loads or specifications for the 33 Nosler cartridge.
- Handle all components with care to prevent accidental injury.
- Use the adjustable decapping rod properly to avoid damaging the bushing or the case neck.
- Ensure that the resizing bushing is properly positioned before beginning the resizing process.
- Avoid using the die set if any components are damaged or missing.

## Instructions for Installation and Usage

### 1. Setup:

- Ensure that your reloading press is securely mounted and stable.
- Gather all necessary tools and components for reloading.

### 2. Installing the Die:

- Screw the Type S Bushing Neck Sizing Die into the reloading press.
- Ensure that the die is tightened securely to avoid movement during use.

### 3. Using the Die:

- Select the appropriate sizing bushing based on your desired neck tension. Interchangeable sizing bushings are available in .001" increments.
- If needed, adjust the decapping rod to resize only a portion of the neck length.
- Insert the case into the die and operate the press to resize the neck.
- Check the concentricity of the resized neck to ensure proper alignment.

### 4. Decapping:

- Use the standard size button provided with the decapping rod for decapping cases.
- For those who sort or turn case necks, a decapping pin retainer is included for neck sizing without the size button.

### 5. Cleaning and Maintenance:

- After use, clean the die set with a suitable cleaning solution to remove any residue.
- Store the die set in a dry place to prevent rust or corrosion.

## **Disposal Instructions**

- Dispose of any damaged or unusable components in accordance with local regulations.
- Do not dispose of the product in regular household waste. Instead, contact your local waste management facility for proper disposal methods.

## **Contact Information for Further Support**

For any questions or concerns regarding the use of the Redding 33 Nosler Type S Match Bushing Neck Die Set, please reach out to the manufacturer or a qualified professional for assistance.

Thank you for your attention to these safety instructions. Enjoy your reloading experience safely and responsibly.
