

# 33 NOSLER COMPETITION BUSHING NECK DIE - REDDING 33 NOSLER COMPETITION BUSHING NECK DIE

[Reloading](#) > [Reloading Dies](#) > [Rifle Dies](#)

The Redding 33 Nosler Competition Bushing Neck Sizer Die is similar in concept to the Competition Seating Die, the cartridge case is completely supported and aligned with the sizing bushing before the sizing process begins. As the sizing process starts, the cartridge case remains supported in the tightly chambered, sliding sleeve as it moves upward. The resizing bushing self-centers on the case neck. The decapping rod is maintained in precise alignment by using the internal parts of the die as a linear support much like that of a firing pin. Meanwhile, the micrometer adjustment of the bushing position delivers precise control to the desired amount of neck length to be sized. Bushings and shellholders sold separately. Made in the USA.

## Attributes

- Name: [REDDING 33 NOSLER COMPETITION BUSHING NECK DIE](#)
- Manufacturer: [REDDING](#)
- Product no.: 749017133
- Mfr. No.: 56799

# Safety Instruction Guide for Redding 33 Nosler Competition Bushing Neck Die

## Introduction

Thank you for choosing the Redding 33 Nosler Competition Bushing Neck Die. This product is designed to provide precision and reliability in resizing cartridge cases. To ensure safe and effective use, please read this safety instruction guide carefully.

## General Safety Guidelines

- Always use the die in accordance with the manufacturer's instructions.
- Ensure that your work area is clean, dry, and free from distractions.
- Wear appropriate safety gear, such as safety glasses and gloves, when handling this product.
- Keep the die and its components out of reach of children and pets.
- Regularly inspect the die for signs of wear or damage before each use.
- Dispose of any damaged parts properly to prevent injury.

## Specific Safety Precautions for Use

- Avoid exceeding the recommended pressure limits when resizing cases.
- Ensure that the cartridge case is properly aligned before beginning the resizing process.
- Do not attempt to modify or alter the die in any way.
- Use only the recommended bushings and shellholders for this die.
- If you experience any difficulty during use, stop immediately and consult the troubleshooting section of your manual or contact support.

## Instructions for Installation and Usage

### 1. Installation:

- Start by securing the die in your reloading press according to the manufacturer's instructions.
- Ensure that the die is tightened properly to prevent movement during use.

### 2. Using the Die:

- Select the appropriate sizing bushing for your cartridge case.
- Insert the cartridge case into the sliding sleeve of the die.
- Adjust the micrometer to the desired neck length.
- Operate the press to begin the resizing process, ensuring the case remains supported throughout.
- After resizing, check the dimensions of the case to ensure they meet specifications.

### 3. PostUse Care:

- Clean the die and its components after each use to prevent buildup of debris.
- Store the die in a safe, dry place when not in use.

## Disposal Instructions

- Dispose of the die and any components in accordance with local regulations.
- Do not dispose of the die in regular household waste if it is damaged or broken.

## **Contact Information for Further Support**

For any questions or concerns regarding the use of the Redding 33 Nosler Competition Bushing Neck Die, please refer to the manufacturer's contact information provided with your product.

## **Conclusion**

By following these safety instructions, you can ensure a safe and effective experience with your Redding 33 Nosler Competition Bushing Neck Die. Always prioritize safety and seek assistance if needed. Thank you for choosing our product!
