

22 NOSLER NECK SIZING DIE - REDDING 22 NOSLER NECK SIZING DIE

[Reloading](#) > [Reloading Dies](#) > [Rifle Dies](#)

Redding 22 Nosler Neck Sizer Dies only size the neck of your bottleneck cases to prolong brass life and improve accuracy. It is important to note that since these dies size only the neck and not the shoulder or body, fired cases should not be interchanged between rifles of the same caliber. Made in the USA.

Redding 22 Nosler Neck Sizing Die Safety Instruction Guide

Introduction

Thank you for choosing the Redding 22 Nosler Neck Sizing Die. This product is designed to enhance the performance and longevity of your reloading process by specifically sizing the neck of your bottleneck cases. To ensure safe and effective use of this product, please read this safety instruction guide thoroughly.

General Safety Guidelines

- Always wear appropriate safety gear, including eye protection, when using reloading equipment.
- Ensure that your workspace is clean and organized to prevent accidents.
- Keep the die and all reloading components out of reach of children and unauthorized users.
- Regularly inspect your die for any signs of wear or damage before use.
- Follow all manufacturer instructions and guidelines for proper use.

Specific Safety Precautions for Use

- **Hazard Identification:** Improper use may lead to accidents, including misfires or damage to firearms.
- **Avoid Interchanging Cases:** Do not interchange fired cases between rifles of the same caliber, as this can affect accuracy and safety.
- **Proper Handling:** Handle the die with care to avoid injury. Ensure that it is securely attached to your reloading press before use.
- **Storage:** Store the die in a dry, cool place when not in use to prevent corrosion or damage.
- **Check Compatibility:** Ensure that the die is compatible with your specific reloading setup before use.

Instructions for Installation and Usage

1. Installation:

- Securely mount the Redding 22 Nosler Neck Sizing Die into your reloading press according to the manufacturer's instructions.
- Ensure that the die is tightened properly to avoid any movement during operation.

2. Usage:

- Prepare your bottleneck cases by cleaning and inspecting them for any damage.
- Insert the case into the die and apply the resizing operation as per the instructions provided with your reloading press.
- After resizing, inspect the cases to ensure they meet your specifications.

3. PostUse Care:

- Clean the die after each use to remove any debris or residue.
- Store the die in its original packaging or a suitable container to protect it from damage.

Disposal Instructions

- Dispose of any damaged or wornout reloading components in accordance with local regulations.
- Avoid disposing of materials in regular household waste. Check with your local authorities for proper disposal methods for metal and plastic materials.

Contact Information for Further Support

For questions or concerns regarding the Redding 22 Nosler Neck Sizing Die, please refer to the manufacturer's website or contact their customer support for assistance.

By following these safety instructions, you can ensure a safe and effective reloading experience with your Redding 22 Nosler Neck Sizing Die. Always prioritize safety and stay informed about best practices in reloading.
