

# 33 NOSLER NECK SIZING DIE - REDDING 33 NOSLER NECK SIZING DIE

[Reloading](#) > [Reloading Dies](#) > [Rifle Dies](#)

Redding 33 Nosler Neck Sizer Dies only size the neck of your bottleneck cases to prolong brass life and improve accuracy. It is important to note that since these dies size only the neck and not the shoulder or body, fired cases should not be interchanged between rifles of the same caliber. Made in the USA.

# Redding 33 Nosler Neck Sizing Die Safety Instruction Guide

## Introduction

Thank you for choosing the Redding 33 Nosler Neck Sizing Die. This product is designed to size the neck of your bottleneck cases, helping to prolong brass life and improve accuracy. Please read this safety instruction guide carefully to ensure safe and effective use of the product.

## General Safety Guidelines

- Always ensure that the die is used in accordance with the manufacturer's instructions.
- Inspect the die for any signs of damage or wear before each use.
- Store the die in a secure location away from children and unauthorized users.
- Use protective eyewear when operating reloading equipment.
- Keep your work area clean and organized to prevent accidents.
- Be aware of your surroundings and ensure that no one is in the immediate vicinity when using the die.

## Specific Safety Precautions for Use

- Only use the die with 33 Nosler cartridge cases.
- Do not interchange fired cases between different rifles of the same caliber, as this may lead to unsafe conditions.
- Ensure that the die is properly installed in your reloading press before use.
- Do not exceed recommended loads for your cartridges, as this may result in dangerous conditions.
- Always follow the reloading data provided by reputable sources.

## Instructions for Installation and Usage

### 1. Installation:

- Ensure your reloading press is clean and free of debris.
- Carefully screw the Redding 33 Nosler Neck Sizing Die into the press until it is securely in place.
- Adjust the die according to the manufacturer's recommendations for proper neck sizing depth.

### 2. Usage:

- Place a fired 33 Nosler case into the shell holder of the reloading press.
- Raise the ram to bring the case into contact with the die.
- Lower the ram to remove the sized case from the die.
- Inspect the sized case for proper neck tension and overall quality.
- Repeat the process for each case you wish to size.

## Disposal Instructions

- Dispose of any damaged or unusable dies in accordance with local regulations.
- Recycle packaging materials where possible to minimize environmental impact.
- Do not dispose of the die in regular household waste if it is still functional; consider donating it or passing it on to another user.

## **Contact Information for Further Support**

For any inquiries related to safety or product usage, please contact your local retailer or manufacturer directly. Ensure that you provide detailed information about your concerns or questions.

By following these guidelines and instructions, you can ensure the safe and effective use of the Redding 33 Nosler Neck Sizing Die. Thank you for prioritizing safety in your reloading practices.
