Safety Instruction Guide for Redding 33 Nosler Neck Die Set

Introduction

Thank you for purchasing the Redding 33 Nosler Neck Die Set. This guide provides essential safety instructions and guidelines to ensure the safe and effective use of this product. Please read this document carefully before using the Neck Die Set.

General Safety Guidelines

- Ensure that the product is used only for its intended purpose as described in this manual.
- Always wear appropriate safety gear, including eye protection, when using the Neck Die Set.
- Keep the work area clean and welllit to minimize the risk of accidents.
- Store the Neck Die Set in a dry and secure location when not in use.
- Regularly inspect the dies for any signs of wear or damage before use.
- Follow all local laws and regulations regarding reloading and ammunition.

Specific Safety Precautions for Use

- Use the Neck Sizing Die only with the appropriate cartridge, which in this case is the 33 Nosler.
- Do not exceed the recommended load limits for the ammunition you are reloading.
- Handle all components with care to avoid injury.
- Avoid distractions while using the dies to ensure full attention is given to the task.
- Ensure that the decapping rod assembly and neck expander button are properly installed before use.
- Do not modify the dies or use them for purposes other than intended.

Instructions for Installation and Usage

1. Setup:

- Gather all necessary tools and materials, including the Neck Die Set, reloading press, and safety equipment.
- Ensure the reloading press is securely mounted and functioning properly.

2. Installing the Neck Sizing Die:

- Remove the Neck Sizing Die from its packaging.
- Insert the Neck Sizing Die into the reloading press and tighten it securely.
- Attach the decapping rod assembly with the neck expander button to the die.

3. Using the Neck Sizing Die:

- Place the empty 33 Nosler case into the shell holder of the reloading press.
- Raise the ram to push the case into the Neck Sizing Die.
- Lower the ram to remove the resized case from the die.
- Inspect the case to ensure proper resizing.

4. Using the Seating Die:

- Remove the Seating Die from its packaging and install it in the reloading press.
- Set the bullet guide and crimp ring according to your specifications.
- Insert the resized case into the shell holder.

- Place a bullet on top of the case and raise the ram to seat the bullet.
- Lower the ram and remove the seated cartridge.

5. Final Inspection:

- Check each finished cartridge for proper seating and crimping.
- Store completed ammunition in a safe and organized manner.

Disposal Instructions

- Dispose of any damaged or unusable components in accordance with local regulations.
- Recycle packaging materials where possible.

Contact Information for Further Support

For any questions or concerns regarding the Redding 33 Nosler Neck Die Set, please contact your local retailer or Redding customer service. Ensure that you have your purchase information available for assistance.

Thank you for following these safety guidelines. Proper use and maintenance of the Redding 33 Nosler Neck Die Set will help ensure a safe and enjoyable reloading experience.
