Safety Instruction Guide for the Redding 6.5300 Weatherby Magnum Full Length Die Set

Introduction

Thank you for purchasing the Redding 6.5300 Weatherby Magnum Full Length Die Set. This guide provides essential safety instructions and guidelines to ensure safe and effective use of this product. Please read this document carefully before using the die set.

General Safety Guidelines

- Ensure that the die set is used only for its intended purpose, which is reloading ammunition for the 6.5300 Weatherby Magnum cartridge.
- Always work in a wellventilated area to avoid inhaling any dust or fumes generated during the reloading process.
- Keep the die set out of reach of children and unauthorized users.
- Regularly inspect the die set for any signs of damage or wear. Do not use damaged equipment.
- Follow all local laws and regulations regarding ammunition reloading and storage.

Specific Safety Precautions for Use

- Wear appropriate personal protective equipment (PPE), including safety glasses and gloves, to protect against potential hazards.
- Avoid wearing loose clothing or jewelry that may get caught in machinery while using the die set.
- Always ensure that the reloading press is securely mounted and stable before use.
- Use the correct shellholder for the 6.5300 Weatherby Magnum cartridge. The shellholder is sold separately.
- Follow the manufacturer's instructions for setting up and adjusting the dies to prevent accidents.
- Be cautious when handling primers and powders. Store them in a cool, dry place away from heat sources and direct sunlight.

Instructions for Installation and Usage

1. Installation of the Die Set:

- Begin by reading the manufacturer's instructions included with the die set.
- Securely mount the reloading press on a stable work surface.
- Insert the full length sizing die into the press and tighten it according to the manufacturer's specifications.
- Attach the decapping rod assembly to the sizing die.
- Insert the neck expander and seating die into the press, ensuring they are properly aligned and secured.

2. Using the Die Set:

- Start with the sizing die to resize the brass cartridge cases. Follow the manufacturer's guidelines for the correct operation.
- Use the decapping rod assembly to remove spent primers from the cases.
- Next, use the neck expander to prepare the case necks for bullet seating.
- Finally, use the seating die to insert the bullets into the prepared cases, ensuring proper alignment.
- Adjust the builtin crimping ring as needed to secure the bullet in place.

3. PostUse Care:

- Clean the die set after each use to remove any residue or debris.
- Store the die set in a dry, secure location to prevent damage.

Disposal Instructions

- Dispose of any used primers, powders, or other hazardous materials in accordance with local regulations.
- Do not dispose of the die set in regular household waste. Check with local authorities for proper disposal methods for metal and plastic components.

Contact Information for Further Support

For safety inquiries or additional support regarding the Redding 6.5300 Weatherby Magnum Full Length Die Set, please refer to the manufacturer's contact information provided with the product.

Conclusion

By following these safety instructions, you will help ensure a safe and effective reloading experience with the Redding 6.5300 Weatherby Magnum Full Length Die Set. Always prioritize safety, and do not hesitate to seek assistance if you have questions or concerns. Thank you for choosing Redding products.
