# Safety Instruction Guide for #17 ORIGINAL SEAT PLUG REDDING

## Introduction

Thank you for choosing the #17 ORIGINAL SEAT PLUG from Redding. This guide provides essential safety information and instructions for the proper use and maintenance of this product. By following these guidelines, you can ensure safe operation and maximize the performance of your seating plug.

## General Safety Guidelines

- Ensure the product is used only as intended and according to the manufacturer's specifications.
- Keep the product out of reach of children and vulnerable individuals to prevent accidental injury.
- Regularly inspect the product for any signs of wear or damage before use.
- If you notice any defects, discontinue use immediately and contact the manufacturer for assistance.
- Always store the product in a dry, safe place to prevent deterioration.

## Specific Safety Precautions for Use

- Do not attempt to modify or alter the seating plug, as this may compromise safety and functionality.
- Use appropriate personal protective equipment (PPE) such as safety glasses and gloves when handling the product.
- Ensure that the seating die is compatible with the #17 ORIGINAL SEAT PLUG before installation.
- Avoid using excessive force during installation to prevent damage to the product or injury.
- Follow all local regulations and guidelines regarding the use of reloading equipment.

## Instructions for Installation and Usage

### 1. Preparation:

- Gather all necessary tools and materials required for installation.
- Ensure your workspace is clean and welllit.

### 2. Installation:

- Remove the existing seating plug from the die by unscrewing it counterclockwise.
- Carefully insert the #17 ORIGINAL SEAT PLUG into the die.
- Secure the plug by tightening it clockwise until it is firmly in place, but do not overtighten.

### 3. Usage:

- Load the die into your reloading press according to the manufacturer's instructions.
- Follow the reloading process as specified for your particular application, ensuring to monitor for any irregularities.

### 4. PostUse:

- After use, clean the seating plug and die to remove any debris or residue.
- Inspect the seating plug for wear or damage before storing it away.

## Disposal Instructions

- Dispose of the #17 ORIGINAL SEAT PLUG in accordance with local regulations regarding metal waste.

- Do not dispose of the product in household waste.
- If the product is damaged or no longer usable, consider recycling options where available.

## **Contact Information for Further Support**

For safety inquiries or further assistance regarding the #17 ORIGINAL SEAT PLUG, please consult the manufacturer or your retailer. Ensure you have the product details available for reference.

Thank you for your attention to these safety instructions. By following these guidelines, you can ensure a safe and effective reloading experience with your #17 ORIGINAL SEAT PLUG from Redding.
